FIFTEENTH ANNUAL REPORT

—OF THE—

HIGH STANDING COMMITTEE of the M. C. O. F.

FOR YEAR ENDING APRIL 25, 1894.

*Brother Delegates of the Massachusetts Catholic Order of Foresters
in Convention assembled.*

GENTLEMEN :—In presenting to you the Fifteenth Annual Report of the work of your High Standing Committee, we feel that before giving you a synopsis of its labors, we can with full justice and sincerity congratulate the entire membership of the Order on its healthy and prosperous condition.

We congratulate and rejoice with our Brothers that the Order continues to increase in members ; increase in usefulness ; increase in all that tends to make us better men, better Catholics, and better citizens.

We rejoice, and are made glad, to be able to report to you the development to the fullest extent of our mottoes:—"Fraternity, Unity and Charity," exhibited and demonstrated in the most practical manner by the entire membership during the past six months of business stagnation. No words of ours, no encomium that we may pronounce can add to the glory won by the quiet and unostentatious distribution of aid, during this distressing period, to those requiring assistance.

Although we deplore the state of the times that made such evidence necessary, still we cannot but feel elated with the eager and spontaneous response that was promptly made when the call reached our brotherhood that distress was at hand.

Nothing in the history of our Order has ever so clearly demonstrated its usefulness to the individual member, or proven so conclusively the beauty and desirability of brotherly coöperation.

We fain would particularize individual merit in this demonstration of fraternity and charity, but we cannot; the response being universal throughout the Order, and the honors belonging to all.

We feel that such acts of generosity and kindness as this period has brought forth will cement our Order, and make us a more compact brotherhood, and what is far above and beyond all this bring down upon us the blessing of God,—a gift we most earnestly pray for.

MEETINGS OF THE HIGH STANDING COMMITTEE.

During the year now past your High Standing Committee has held 92 regular and special meetings, wholly devoted to matters relating to the Order, and it is gratifying to us to say that always with a quorum of the Committee in attendance.

Many special Sub-Committee meetings in addition were held, whose duty required them to prepare work for the action of the full Committee.

The High Chief Ranger, at the commencement of the year, in view of the great number of various matters that were being constantly brought before the Committee, deemed it advisable to divide the Committee into several Sub-Committees, they having certain subjects to consider, and make full report upon to the full Committee at the regular weekly meeting, and appointed the following Sub-Committees:—

Committee on Applications; Committee on Mortuary; Auditing Committee; Committee on Formation of Courts; Committee on Printing; and Committee on Grievances.

The result work with great advantage, enabling the Committee to act on all matters with promptness and despatch.

Your Committee found it an absolute necessity to change the night of meeting, owing to the constant interruptions by Committees from Courts, which greatly delayed action, and to appoint special nights for receiving delegations and Committees from the Courts, thus holding their regular meetings for the exclusive work of the Order. This also enabled them to clear up weekly all that came before them that could be definitely disposed of.

DEATHS DURING THE YEAR.

The total number of deaths reported, since the last Convention, is 55, an average of less than 9 to the 1,000, a remarkably low death rate,—without doubt below any similar organization in this State.

We attribute this satisfactory condition to the care exercised in the selection of the risks we assume, much credit being due to the careful, searching and conscientious work of the High Medical Examiner, and our able corps of district Medical Examiners.

ENDOWMENTS PAID.

The Endowments paid to heirs of deceased brothers during the period since the last Convention, amounts to the sum of \$76,000, making a grand total since the birth of the Order of \$580,000.00.

The apparent disparity between the number of deaths reported above and the amount paid out in Endowments, arises from the fact that on assuming office, the present Committee were confronted with 21 unpaid Endowments.

To-day we have but four deaths unpaid that are adjusted; one being investigated, and the contested claim of Ferdinand Shield, of Court 33, which the Convention of 1893 refused to pay, and for which suit has been brought against the Order by his heirs, the case still awaiting trial.

The total number of claims against the Order thus being six, which includes the disputed claims. The balance in the Endowment Fund is more than sufficient to discharge these, showing a clean balance sheet—a record to be proud of.

NEW COURTS AND TOTAL MEMBERSHIP.

There have been during the year six new Courts instituted, and located as follows:—

No. 96, at Middleboro.

No. 97, at Medway.

No. 98, at Pittsfield.

No. 99, at Roslindale.

No. 100, at Worcester.

No. 101, at Adams.

The year opened auspiciously, and with the promise of a large increase in the number of Courts, but the advent of the business panic checked our efforts and nullified our labors in many places where the promises were flattering. We, however, feel that much good will come from our work in these several localities upon the resumption of business.

In the constant and steady increase of applications to the various Courts of the Order, we have abundant cause for congratulation, the year being fully up to any of the preceding years, the number applying reaching 1,080, and when the few suspensions are considered, this shows that the reputation of the Order for stability is steadily gaining in the estimation of the people of our faith.

The increase during the year being about 17 per cent. must surely satisfy all that study our resources that our progress is as steady and as rapid as is consistent with a healthy growth.

The total number of members being 6,800 on April 1st, when compared with other orders, speaks volumes in our favor.

FINANCES.

Your Committee would call your attention to the detailed report of the High Secretary-Treasurer of the financial condition of the Order, in which you will find an explicit and detailed statement of the receipts and expenditure of the various funds of the Order, the same having been audited by the Committee on Finance.

In addition to this report you will also have the report in detail of the Trustees of the Reserve Fund.

We deem it proper that the Convention should, by vote, instruct the Finance Committee to audit the accounts of the Trustees at the same time they audit the accounts of the High Secretary-Treasurer, thus carrying out the intention of the Convention, when establishing the Committee on Finance. No provision now existing for an audit of their books, and as it is too late to amend the Constitution, for this year, our remedy is as suggested above—that is, instructions by vote of this Convention.

This recommendation is in harmony with the views of the Chairman of the Trustees, and we think that it should be provided for.

CONSTITUTION.

We call your attention to the report of your Committee on Constitution, and trust that you will give your prompt consideration to the amendments recommended therein.

We would recommend that the Constitution be placed in the hands of a Committee for codification.

RITUAL.

It becomes our duty to call your attention to the inadequate and crude form of ritual now in use and ask that the Convention devise some means, or offer some suggestion, by which we could be provided with a mode more in harmony and in keeping with the requirements of the Order.

PER CAPITA TAX.

We recommend that the per capita tax be the same sum as last year; the amount realized from that tax being from our estimate sufficient, if duplicated, to enable your Committee, with due economy, to meet the current expenses for the coming year. As our Order increases in numbers and extent of territory, the expense is enhanced, and while we court rigid economy, we feel that the success of our Organization cannot be advanced by a policy that fails to maintain the dignity and prestige which characterizes the success already attained.

SUSPENSIONS.

In the matter of suspensions of members in the Subordinate Courts, we regret to say that a very unsatisfactory condition of affairs exists, and a condition that causes your Committee a degree of annoyance, in that they have no remedy except by exercising and administering extreme measures that we feel should be seldom exercised.

It appears to be well nigh impossible to get Subordinate Court officers, from the Chief Ranger down, to send in promptly the names of those suspended at the regular meetings of the Courts, and hence the impossibility of our being able to report accurately the actual number falling away from our Order.

We cannot help feeling that a greater care on the part of the Chief Rangers of Courts and a closer scrutiny on their part would in a great measure remedy this condition and enable your Committee to give full and accurate reports of the percentage of lapses that occur during the year.

BROTHERS :—We submit this report for your consideration and information, although it is but an outline of the year's work—time and space are not ours to give a minute history of all transactions that have taken place during the year. Suffice it to say that our endeavor has been to build and strengthen the Order we all so love, insomuch that it may become the object of our constant solicitation.

We have striven with all the powers of light given us to build it and place it in such form and standing that its name will be a synonym of sterling integrity—a name that carries with its mention, to all who are enlisted under its banners, the *unquestioned assurance* that every pledge made, every promise given, will be fulfilled and sacredly maintained.

Let us, then, to-day, Brother Delegates, representing as we do, the hopes and aspirations of the thousands of constant and faithful hearts that have entrusted us with the destiny of our beloved Order, endeavor to strengthen the temple we have reared, in which is contained the hopes of our wives and children, our aged fathers and mothers, and all whom God has placed in our care, and who to us are the dearest objects of our solicitude.

Let us, we repeat, by our action, strengthen our Brotherhood in its unity, bringing each and all into a closer union; encourage the spirit of fraternity; make it to grow and spring forth with renewed vigor on all occasions, until within its embrace are gathered in one compact mass the thousands of our faith who need the beneficent influences of brotherly coöperation; finally, let us develop our beautiful motto: "Christian Charity." May we ever keep it in view, in that in its exercise, constant and frequent, in season and out of season, at all times and on all occasions, its sweet spirit, ever abiding within the hearts of all,

ever teaching us, daily and hourly, its divine lessons, that love of our brother is next to love for our God. The practice and exercise of this will be certain to bring to all the reward we seek in this world, the blessings of our Heavenly Father, the blessings of our Holy Church and eternal peace and happiness in the great eternity to come.

Fraternally,

JAMES J. McLAUGHLIN,

HIGH CHIEF RANGER.

Boston, April 25, 1894.

REPORT OF HIGH SECRETARY-TREASURER.

To the Representatives of the Massachusetts Catholic Order of Foresters :

BROTHERS.—I take pleasure in submitting you the following condition of the Massachusetts Catholic Order of Foresters, as shown by the reports from the various Courts, and the labor performed by the High Standing Committee in advancing the work of the Order.

The first result of that work is shown by the list of new Courts formed since the last Convention and up to April 1, 1894.

The work commenced sooner after the Convention than ever before and the following Courts were instituted:—

Sacred Heart Court No. 96, Middleboro, with 23 Charter members. Instituted May 10, 1893.

St. Anthony Court, No. 97, Medway, with 22 Charter members. Instituted May 23, 1893.

Onota Court No. 98, Pittsfield, with 20 Charter members. Instituted July 31, 1893.

Mt. Hope Court No. 99, Roslindale, Boston, with 20 Charter members. Instituted November 2, 1893.

McCafferty Court No. 100, Worcester, with 29 Charter members. Instituted March 28, 1894.

Greylock Court, No. 101 Adams, with 20 Charter members. Instituted April 15, 1894.

Six Courts in all, but they do not represent more than one-third of the labor performed by the High Standing Committee in

that direction. Many trips have been made and meetings held which have not as yet borne fruit, but from which we hope for much the coming year. It has been a very trying period and it seems incredible that so much of an increase could be made as we have made. It is very gratifying to the High Standing Committee, and while your Committee would be glad to show more of addition, we feel that under all the circumstances we have reason to be thankful.

From Apr. 26, 1893, to Apr. 1, 1894, the number of applications received was 974. From Jan. 1, '93, to Jan. 1, '94, the total number of applications approved was 1,039 and the applications rejected numbered 148. The character of the occupations of those approved and rejected does not differ materially from former years. The High Standing Committee has not yet completed its list of occupations that are extra hazardous because it realizes that the question is a serious one and should not be decided without due deliberation and the fullest information.

For that reason no list has been made and only a few which were acknowledged by all interested in insurance matters were named and sent to the Courts. All others have been considered individually and each case has been considered on its own merit.

It is probable that the coming High Standing Committee will take hold of the matter at an early date and decide on a list of objectionable occupations.

The subject has occupied much of the time of individual members of the Committee, and many statistics have been studied. The High Standing Committee is pleased at the patience exhibited by the Subordinate Courts in this matter and hopes soon to complete its labors in that direction.

One thing must be borne in mind, and that is, that with the increasing changes in machinery and modes of doing work and furnishing motive power, many dangers exist which were not thought of a few years ago, and all these changed conditions must be met.

The following table gives the number applying to each Court:

AVERAGE AGE.

The question of age is always an important one in connection with any fraternal organization which pays a death benefit. It is just as important to us as to any other similar order and when we can present the figures which we are able to show to-day, we demonstrate that this organization is moving in the right direction.

We have not grown old: our average age to-day is 38.01 years. The average age of applicants approved the past year is 31.2 years. The average age of applicants rejected was 35.1 years.

The percentage of increase is shown by the following table:—

ASSESSMENT CALLS.

Assessment calls were issued in 1893 as follows; 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, in all eleven assessments. The Reserve Fund Assessment was sent out as usual in October, 1893. This amount has been paid to the Trustees, and an inspection of their report will show a gratifying increase and a judicious investment of the whole sum. The continued increase of this fund will add much to the stability of our Order, as it belongs to every member and all members should be made to realize that fact. It should be allowed to grow for many years, and no doubt will be. It now amounts to \$14,000.00, and its establishment was a wise provision for the future.

* The average age given for each Court is taken from the reports sent in by the officers.

In the year 1895 we had 67 deaths as follows :

January	-	-	16	July	-	-	1
February	-	-	8	August	-	-	3
March	-	-	8	September	-	-	6
April	-	-	3	October	-	-	3
May	-	-	4	November	-	-	5
June	-	-	7	December	-	-	3

The average length of membership of the deceased members whose names have been added to the table of endowments paid was about seven years, some were members only a short time, notably Bro. P. J. O'Connor of St. Lawrence Court, No. 61, of Brookline, whose death occurred 12 days after he was initiated. All the others were in the Order more than one year, except Bro. T. M. O'Sullivan, of Griffin Court, No. 66, who was a member 11 months 29 days.

This year we submit a list of deaths which have occurred since the Order was formed, tabulated according to Courts. It shows the number in each Court who have passed away, and will be found useful and instructive.

We wish here to call attention to the fact that although our Order is growing in years, the length of membership of those who die is steadily increasing.

Since the organization of the Massachusetts Catholic Order of Foresters the number deceased each year is as follows ;

1880	-	-	-	3	1887	-	-	-	34
1881	-	-	-	17	1888	-	-	-	46
1882	-	-	-	25	1889	-	-	-	54
1883	-	-	-	40	1890	-	-	-	47
1884	-	-	-	41	1891	-	-	-	53
1885	-	-	-	48	1892	-	-	-	56
1886	-	-	-	32	1893	-	-	-	67

With a membership of about 6,700 we had 67 deaths, or 10 to the 1,000. If some deaths occurring this year had been prevented by reforming the members or expelling them, our death rate would be less than 10 to the 1,000.

It is not necessary here to say more on this point, but it only shows the necessity for care, and shows that our obligation might be made much lighter. The Order was formed and is carried on for the benefit of members who live up to their duties as Catholics. To a

single case we as members of the whole body would not pay much attention, but many have occurred, and while the members are so willing to cover up without endeavoring to reform, our death rate will be larger than it should be.

In the case of Ferdinand Shields (reported 1 year ago) suit has been entered against the Order.

Since the last convention the High Standing Committee has held and attended 89 meetings, this does not cover social visits of the Committee to balls and entertainments. Many of these meetings were held out of Boston and necessitated much travel during the year. At the present time we are endeavoring to interest people in Fitchburg, No. Adams, W. Springfield, No. Brookfield, Fall River, Lowell, Turners Falls, Spencer, Webster, Westboro and Westfield. A number have been examined for a court in Somerville, but the required 20 have not been obtained.

A Court is also under consideration in No. Cambridge and will probably soon be formed.

The Deputy High Chief Rangers with a few exceptions have been rather quiet the past year. They have made the usual number of official visits and looked after the Courts about as usual. Bros. P. M. Keating, J. B. Rooney, A. H. McDonald, John Doolin, J. B. McCarthy, T. Donovan, J. J. Leonard, D. F. O'Sullivan, P. McCarthy, G. F. Brammer, J. J. Lanigan, M. F. Conroy, are deserving of special mention either for the extra attention they have given the work of the Courts or for their labors in new fields to extend the Order and make a foundation for the High Standing Committee to work on. The others have performed their work faithfully, no doubt giving to it all the time they could spare from business and social duties. This is in evidence from the fact that they have paid 337 visits during the past year to Subordinate Courts this means an average of 7 visits each and if we consider that many of the Deputy High Chief Rangers are in business or holding responsible positions which require almost every minute of their time, we should have many words of praise for so devoted and conscientious a body of men as our present corps of Deputy High Chief Rangers. They deserve one and all, every expression of thanks in our power to give.

RELIEF.

During the past winter there has been distress in all classes of society; it has existed amongst our members, and our High Chief Ranger Bro. McLaughlin was one of the first to recognize the fact and give it his attention; with his characteristic energy he caused a circular to be sent to all the Courts advising the appointment of committees for relief of distressed members, also asking for contributions for a fund to be used by the High Standing Committee for relief of any cases requiring immediate attention.

The Order was quick to catch the idea. Relief Committees were appointed in all the Courts and many cases were relieved; several cases were reported to the High Standing Committee and as a number of donations were received for the High Standing Committee fund that body was pleased to be in a position to afford the necessary assistance. The High Standing Committee is now paying rent for three families and will continue to do so as long as necessary.

The response to the call of the High Standing Committee was prompt and generous. One Court is worthy of special praise for the promptness with which it acted after receiving the circular. It is St. Anne 47, of Gloucester which having a contingent fund on hand for which it had no pressing need, voted to send and did immediately send to the High Standing Committee one hundred dollars, to be used for relief. A great deal of good has been done by these slight measures of relief and for those who have contributed to this charity the thanks and blessings of the relieved will always be given.

It was a happy thought and a work of charity not often seen. No publicity has been given to make the recipients feel that they were receiving charity.

The membership, as shown by the reports of the Courts January 1, 1894, was 6,548. Between January 1 and April 1 the High Standing Committee received 286 new applications. If we add one-half this amount, or about 150 as initiated, we have 6,700 as the present membership. We have made a steady increase in our membership since 1887. Our membership in that year was 2,767, and every year since has shown a steady and healthy growth. In some Courts the members have gone into the work of increasing the membership with a spirit that is highly creditable. The following Courts are deserving of special mention for their efforts to increase our membership, having during the year sent in over 20 new applications: Cheverus, No. 6; Sherwood, No. 8; Iona, No. 10; St. Peter, No. 18; St. John, No. 23; Holy Trinity, No. 51; Carroll, No. 57; Worcester, No. 59; St. Lawrence, No. 61; Shields, No. 63; Gallagher, No. 64; George Washington, No. 85. A very commendable desire to build up the Order has existed in nearly all the Courts, only six Courts have failed to send at least one application during the year. When such a general interest is manifested in the work of the Order, we are certain to make progress. Our growth has been good, and the quality of the applications accepted has been good. The High Standing Committee has endeavored to treat all alike, and no application was accepted which could be considered doubtful.

During the year three Courts became careless in making payments, and notice of suspension was sent in each case. Payment of arrears was made at once, however, and the Courts were re-instated and are now in good standing. We have now on our roll 91 Courts, with a membership of 6,700, good active Catholic men. Men who realize that the Order is in existence for a purpose, which purpose cannot be accomplished or fulfilled unless we all work together as one man as unselfishly as our predecessors, and with as little hope of benefit to ourselves beyond the satisfaction every Catholic feels in knowing he has done something to help his fellow-man and uphold and spread the faith he professes. As an organization we have carried out our promises and fulfilled our obligations, and by our charitable work have done much to lighten the burden in every parish where a subordinate Court exists. We should have a Court in every parish in this State, and the day seems near when our wishes in that respect can be attained. We receive a great deal of encouragement from the reverend clergy everywhere, and many of them join the Order when their duties and responsibilities permit.

We begin then this new year of life with increased hopes for the future. With the record we have made our future is brighter than ever, and we look confidently forward to the time when the membership in this State will reach the figure set a few years ago, 20,000.

Respectfully submitted,

In Fraternity, Unity and True Christian Charity,

JAMES F. SUPPLE,

High Secretary-Treasurer.

FIFTEENTH ANNUAL CONVENTION
OF THE
Massachusetts Catholic Order of Foresters

HELD AT

St. Rose Hall, 17 Worcester Street, Boston.

APRIL 25, 1894.

The Convention was called to order at 9.30 A. M., by the High Chief Ranger Brother James J. McLaughlin.

The High Chief Ranger instructed the High Conductors, Brothers P. A. Murray and John Hayes, to proceed and they reported all the High Court Officers present and in their proper places.

The High Chief Ranger then requested the High Secretary-Treasurer to read the Call for the Convention, as follows:

MASSACHUSETTS CATHOLIC ORDER OF FORESTERS.

HIGH STANDING COMMITTEE.

18 Kneeland Street,

Boston, April 2, 1894.

To the Chief Rangers, Officers and Members of the Massachusetts Catholic Order of Foresters:—

BROTHERS,—In accordance with the powers vested in the High Standing Committee of the Massachusetts Catholic Order of Foresters (under Art. IV, Constitution of High Court, Page 11,) a call is hereby issued for the assembling of the Representatives of the Subordinate Courts of the Massachusetts Catholic Order of Foresters in Annual Session of the High Court of the Order, to be held in St. Rose Hall, 17 Worcester Street, Boston, to be opened in regular form at 9.30 o'clock, A. M., on Wednesday the twenty-fifth day of April, A. D. 1894, as provided for in the High Court Constitution.

The Basis of Representation shall be as laid down in Art. II, Sec. 3, Constitution of High Court, page 8.

Forms of Credential to the Annual Session of High Court accompany this Call, one to be retained and held by the Representative for use at the Convention. If the Credential be transferred for cause, this should be stated on the back of Credential under the endorsements of Chief Ranger and Recording Secretary of the Court.

By Order of the High Standing Committee,

JAMES J. McLAUGHLIN,
High Chief Ranger.

JAMES F. SUPPLE,
High Secretary-Treasurer.

High Chief Ranger McLaughlin then opened the Convention in due form, and by invitation of the High Chief Ranger, Rev. J. H. O'Neil, of Sacred Heart Court, No. 96, offered prayer.

The High Chief Ranger appointed the following—

COMMITTEE ON CREDENTIALS.

Bros. J. J. Leonard.....of Gallagher Court No. 64.
 L. H. Vincent.....of St. Michael Court No. 70.
 P. J. Quinn.....of Worcester Court No. 59.
 J. O'Donnell.....of Griffin Court No. 66.
 J. J. Curran.....of St. Peter's Court No. 18.
 D. T. McCallion.....of Leo Court No. 5.
 T. F. Gallagher.....of Charles River Court No. 55.

Rev. Hugh Roe O'Donnell, High Chaplain, having arrived, the High Chief Ranger introduced him and he addressed the Convention at length on the progress of the Order. He said the principles of the Order were sound and he was glad that the organization had kept all its promises, and he had no doubt that it would continue to do so in the future. He said that although charity was a good thing, and fraternity, as practised in our organizations was also a good thing, yet shrewdness was necessary to carry on the work of the Order properly. That it had been used largely by the members was shown by the good judgment exercised in the handling of the questions of the day, relative to the Order. He closed by urging the members to renewed efforts to build up the Order, and hoped that the Order would prosper in the future as it had in the past.

The remarks of the beloved Chaplain were well received and he was heartily applauded on closing.

Captain J. J. Leonard, Chairman of the Committee on Credentials, reported the total number of Courts represented 85. Total number of delegates present 136. The regular representatives present 94, Proxy representatives present 27. The Convention was called to order at 3 P. M. by High Chief Ranger James J. McLaughlin.

Bro. Keating, Chairman of the Committee on Constitution, said he wished to take up No. 20 of the amendments offered, and said that as he differed from his colleagues on the Committee, that he would give way to Bro. Fennessey.

The High Chief Ranger stated the question, namely to adopt the report of the Committee on No. 20, and said that debate was in order.

Bro. Charles Tighe of Cathedral Court No. 1, asked that speeches be limited to ten minutes.

Bro. J. T. Brickley of St. Alphonsus No. 21, said he thought 25 minutes should be given to each opener.

On motion of Past High Chief Ranger D. F. O'Sullivan of Griffin, No. 66, voted to suspend Rule 13.

The vote was doubted.

The High Chief Ranger stated the question and ordered that a count be made.

The count was 38 yes, and 50 no; and the High Chief Ranger declared it was not a vote.

The High Chief Ranger again stated the question and gave the floor to Past High Chief Ranger Fennessey.

On rising to speak on the question, Bro. Fennessey said he would present the matter in as few words as possible, although he felt that it was the most important question that ever came before a Convention of the Order, and it affected not only the delegates present but every Catholic in Massachusetts. It has been presented to the Conventions of this Order for three years, and the only argument presented against the amendment was, that women were not good risks. In former arguments he had proved from statistics that such was not the case. Another argument used against the admission of woman was that the Church was against it. He had talked with many clergymen throughout the State and not one had said to him that he was wrong. On the contrary, they had uniformly said that in their judgment it would be as good a thing for the women as it was for the men. Health, expediency and religion, were all that we had to consider,

and he thought if there was anything in the question which would interfere with the faith of any Catholic woman, he would be willing to tear his tongue from its roots, sooner than to give utterance to any sentiment producing such a result.

Bro. Fennessey then quoted various quotations showing the longevity of many women, and proving conclusively his opinion that women were just as good risks as men. Bro. Fennessey occupied the floor for forty minutes and was closely followed by every delegate present. All who heard him were very much edified by his address, which covered the ground fully, and was as full of information as it contained words.

Bro. P. M. Keating, of St. Joseph Court No. 11, then followed:—

He said that he was opposed to the admission of women chiefly because he did not think the time had arrived for such a step. He hinted that he believed that there was not a widespread demand by the women of this State for admission to the organization, and until there was such a demand it would be better to defer any action on our part, and while he joined with the Committee on Constitution on recommending the amendment which was offered, he felt obliged to say that in his own private opinion it was not a good movement and he could not conscientiously vote for it.

Bros. Daniel Cronin, of St. Joseph No. 11, Richard Nagle of George Washington No. 85, J. H. Dixon, of St. Peter No. 18. all spoke in opposition to the amendment.

Bro. J. J. Lanigan, of Cathedral, No. 1, said that he was with Bro. Fennessey on the question, and that we had been trying for fifteen years to add men to our membership, and now let us add women.

Past High Chief Ranger Hon. Owen A. Galvin, of Cheverus Court No. 6, said he came as a convert to the seats. He had been a conservative in the matter, but he now felt that the time was a proper one to take this step. It had been said that the Irish people could not carry on a business organization, such as ours is. It is said that this movement is a dangerous one. When Dennis F. O'Sullivan, Past High Chief Ranger, and his associates started this organization, it was said to be a dangerous experiment, but the good work of

the Order, as shown in its history for the last fifteen years, has proved the malice of the statement, that we could not carry on an insurance fraternal organization. He believed the time was now here for us to strike out the word male and admit the women.

Rev. J. H. O'Neil, of Sacred Heart Court No. 96, said he knew of no reason why women should not be admitted. All history teaches us that women have always been the aiders and consolers of men, and the advantages of this society should be opened to women and he was in favor of the amendment.

Dr. F. E. Hines, of Essex No. 16, said he was very much edified by the eloquence and arguments offered, and having given the matter careful attention he was ready to change now, and he would vote for the admission of women.

Bro. John J. Sweeney, of Emerald Court No. 53, was in favor of the amendment.

On motion of Bro. J. T. Daly, it was voted that a vote on the question be taken at 5.20 P. M.

The vote was doubted and High Chief Ranger McLaughlin ordered a count to be made, showing 85 yes, 12 no, and the High Chief Ranger declared it was a vote.

The debate was continued.

Bro. Thomas D. Hevey, of Qualey Court No. 32, and Bro. Buckley, of Stoughton Court No. 69, spoke in favor of the question.

Dr. C. A. Ahearn, of Lafayette Court No. 16, stated that he had been opposed to the amendment because he believed it was not a safe step to take. He claimed that statistics could be made to show anything, and while he was willing to admit that the argument and statistics offered by Bro. Fennessey were very strong, he had made up his mind, and no amount of statistics could change it. He did not believe that the admission of women would be good for the organization, and he would always be opposed to their admission.

Bro. E. C. Murphy, of Canton 67, and A. A. O'Toole, of St. Malachi Court No. 81, spoke in favor of the question.

Bro. Fennessey corrected some of Bro. Ahearn's statistics, and at this point High Chief Ranger McLaughlin announced that the time

had arrived for taking a vote on the question, which was to amend the Constitution by striking out the word male.

He ordered the roll called, which was done.

Voted to accept the report of the Committee. The Chairman of the Committee on Constitution moved to take up Nos. 30 and 31, and said that the report of the Committee on each was to adopt, but that all now felt that it was better to recommend (Leave to Withdraw), and he so moved on each.

ADDRESS OF THE HIGH CHIEF RANGER

J. J. McLaughlin,

AT THE

Sixteenth Annual Convention

—OF THE—

Massachusetts Catholic Order of Foresters.

Brother Delegates :

To-day, it is with pleasure we submit for your information and consideration the Sixteenth Annual Report of the condition of our beloved Order. We cannot but feel that the good work performed since our organization first began its labor of love, has been blessed and guided in all its efforts by our heavenly Father and assisted by the fervent prayers of those wards whom death has sent to our care and protection.

Let us to-day, with hearts filled with gratitude for the manifold blessings God has vouchsafed us during the year now closing both as individuals and as a body return to him our grateful thanks and implore him to guard, guide and protect us in all our efforts to advance the cause of true Christian Charity and brotherly love.

MEETINGS.

During the year, your committee has held 60 regular meetings and 30 special meetings at which the various matters concerning the welfare of the Order was considered and plans devised for the advancement and general welfare of the organization. Many of the special meetings were held in distant localities entailing much expense of time and money but producing results of a

satisfactory nature and fully justifying the costs incurred. In no year since our birth have the demands for speakers been so great as the year now closing and never before has there been so much interest shown or such a desire exhibited to learn about our methods and system by persons desiring to join our ranks, showing conclusively that we are growing in the estimation of thinking people of our faith, and that we are deemed a worthy and safe organization to enter, and one that age strengthens and improves instead of deteriorating.

NEW COURTS.

During the year fifteen new Courts have been organized and admitted to membership, the quality of the risks being of the very best material, morally and physically. When we take into consideration the condition of business, its dullness and the difficulty in obtaining employment by the masses, this increase in the number of Courts is a wonderful growth and unparalleled by any other Order doing a fraternal insurance in our State, and when we consider that we have only those of our faith to draw from it is a tribute to our worth and stability that is exceedingly gratifying to all.

The wise provision made by the Convention of 1894 in admitting woman to full membership has proved of unquestionable value and will without question be a potent means of advancing the welfare of the Organization. The whole number of live Courts in the Order is 106 with seeds planted in many localities that will fructify and bear good fruit and we look forward to as favorable results in the year to come as we now report for the year past.

MEMBERSHIP.

The total membership of our Order as reported on returns from Call No. 119, was 7,667. The total number of applications received during the year was 1,703, a ratio of about 1 to 4, or an increase of

25 per cent. We are happy to report that no Court was suspended during the year, and that a marked improvement has taken place in the prompt returns by the financial officers of the Subordinate Courts.

We cannot but feel a just pride in making these facts known to you and when we compare our success with kindred societies of about the same numerical strength, we have made a marvelous increase. From the number of applications above given 1,530 were passed upon as worthy of admission and were duly initiated; 500 of whom were initiated under the new provision admitting women who have fully proved their ability to control and conduct the affairs of their respective Courts as successfully as any of the older Courts of the Order, and have set an example of zeal and industry that is commended as worthy of imitation by the male Courts of the Order.

The increase of members in the older Courts with a few exceptions has been gratifying but there is still a large field open for us to draw from. It is the bounden duty of every Forester to endeavor to induce his associates and friends to seek admission to our ranks. No one need hesitate to present our Order in the most favorable light as the facts will bear him out as to its being the safest fraternal association in Massachusetts.

CONSTITUTION.

The Committēe on Constitution will give you the result of their labors and we ask your earnest consideration for the same. Many amendments were presented, some of which came to hand after the limit for reception of amendments and were not considered. Your Committee deemed best not to attempt to codify the present Constitution, the causes of which the chairman will explain and which would necessitate the expenditure of an amount of money that the High Standing Committee did not feel warranted in expending except by instruction of the Convention. That the needs exist for codifying and condensing the Laws as now compiled is apparent, and it can only be done properly by a lawyer well versed in the laws governing Fraternal societies.

DEATHS.

During the year there has been reported for adjustment 65 death certificates, all of which have been provided for, the present Call No. 120 realizing enough to pay all in condition to be paid. There are but three of this number unadjusted, as follows:—

Bro. James K. McNeil of Sherwood Court, No. 8. Your Committee was unable to decide to whom the money properly belonged and refused to pay the claimant except by order of the Courts, the claimant not being a relative or dependant.

Bro. Thomas Quinn of Fulton Court, No. 12. The Committee do not feel that a just claim exists on account of discrepancy in age given and are awaiting positive proof from the heirs.

Bro. Charles Hagerty of Cathedral Court, No. 1. Your Committee are awaiting an agreement between the heirs as to whom they shall pay.

The case of Ferdinand Shields of St. John Court, No. 33 has been entered in the Courts for adjudication and we are unable to report definitely upon it. .

The percentage of deaths shows a fractional decrease over the preceding year being below the American tables of mortality rating below 9 in a thousand, showing that our selections are carefully chosen and that none but good risks are admitted.

FINANCES.

The report of the High Secretary-Treasurer will enlighten you fully on the receipts and disbursements that have been made during the year and the report of the Committee on Finance will verify the same. The expense entailed in instructing and organizing fifteen new Courts, the greatest number ever formed within any single year, has been heavy and proves that the Per Capita Tax laid was insufficient to meet the needs of the service. All around us are Fraternal Societies, canvassing the ground, offering inducements that are flattering and tempting to secure new members and large rewards to those forming councils or lodges entailing an expenditure of money that we find no warrant to do. Yet we feel that the

interest of our Organization cannot be best served by a parsimonious financial policy, on the contrary, we would advise the laying of a sufficient Per Capita to enable your Committee to meet any requirement that may seem to be for the best interest of the Organization.

The report of the High Court Trustees will, we trust, be gratifying to the Convention and will show that your interests have been carefully guarded in their method of investing your funds. The time is fast approaching when the Reserve Fund will make itself an income and when the annual levy can be dispensed with and its fruits be advantageously used. Every year demonstrates the wisdom of its creation and shows to the members of the Order that their interest in the future is wisely provided for.

DISCIPLINE.

The reports received at various times from our zealous corps of Deputies give evidence of activity in the majority of the Courts and that no occasion has been reported where the exercise of their Constitutional powers have been called into requisition. A state of discipline that speaks volumes for the membership and to the credit of Deputy Officers.

RITUAL.

We again call your attention to the great need for a better form of service. We are still working with the present one which is far from being satisfactory and it seems the Committee on Ritual should be instructed to make an effort to supply the deficiency and provide a form of service subject to the approval of the High Standing Committee.

We have in the foregoing given a general statement of the condition and standing of our beloved Order. Our success has been as great as the most zealous Forester could desire. We have grown with as safe a rapidity as is possible with careful supervision. Keen scrutiny is our only safeguard against bad and improper risks and while it may at times seem to the individual that our care is too rigid

and we are at times at a loss on that account, it would be well for all to remember that no individual Forester is more anxious than the men whom you honor are, to secure good members and to increase our numerical strength. All should bear in mind that your Committee have in their hands information that the individual does not possess and on which their judgment is formed without favor and in the interests of the Organization.

Let us then to-day approach the problems that come before us in a spirit of amity. Let all our efforts be directed to perfecting what we deem imperfect, and in our labors let the spirit of true charity and brotherly love animate our thought, speech and action. Remember that all interests are common and that all desire to advance the interests of our splendid Organization.

For fifteen years we have marched through the avenue of time, shoulder to shoulder, hand to hand, succoring, aiding and helping each other, in sickness and death never faltering but cheerfully keeping up the march, still gathering to our fold more soldiers to charity's cause whose banner is inscribed with 650 names in honor of our labor and the prayers of thousands ascending to heaven asking the blessing of God on our Order for its charity. Continue then Delegates and Foresters the onward march of our brotherly legion, scattering our love, sympathy and good will among our ranks so that when the call is sounded and we are summoned to our long account, may we receive the blessings of Holy Church and through God's mercy the joys of Heaven.

JAMES. J. McLAUGHLIN,

HIGH CHIEF RANGER.

REPORT OF HIGH SECRETARY-TREASURER.

To the Representatives of the Massachusetts Catholic Order of Foresters :

BROTHERS.—In presenting the report of the improved and advanced condition of the Massachusetts Catholic Order of Foresters, great pleasure is afforded to the High Standing Committee because the Order has vastly improved, and great advancement has been made in membership. The interest taken by members generally, is well demonstrated by the activity in the subordinate courts to secure new members—a greater number of applications having been received this year than the year previous. In addition to this work, the members have given great aid to the High Standing Committee in the formation of new courts, and seeking new fields of labor in which to plant the seeds of membership. The High Standing Committee is very grateful for the help thus afforded, and is confident that it is only a forerunner of what may be done in the future. It illustrates most beautifully our cardinal principles, and shows that we are a united body, fraternal and charitable, and all anxious to advance the common good, without any hope of reward for ourselves beyond the satisfaction of doing good to our neighbor.

The following new courts were instituted during the year :

St. Rose Court No. 102, Brockton, 39 Charter members.
Instituted June 15, 1894.

This was the first court formed of women after the amendment to the Constitution admitting women to membership.

There was considerable hesitation about forming it or encouraging its formation, by those most interested in the work of the Order in Brockton: but after a visit by the High Standing Committee, the members took hold of the work with a will, and under the guidance and care of Brothers. F. L. Smith, Dr. Connolly, P. Gilmore, C. L. McCann and others, the Court was instituted June 15.

St. Elizabeth Court No. 103, Taunton, 48 Charter members
Instituted June 22, 1894.

While the court of women in Brockton was under way, Bro. George F. Brammer of Taunton, was busily engaged collecting names for a Court of Women in that city, and the news of the formation of St. Rose Court was soon followed (June 22d) by the formation of St. Elizabeth Court No. 103. Like St. Rose Court, it had on its chartered list some of the brightest women in the place, and both Courts immediately demonstrated the ability of Catholic women to carry on the work of the organization.

Springfield Court No. 104, Springfield, 29 Charter members.
Instituted July 22, 1894.

This Court is composed of men, and since its formation, has done nobly in increasing its roll of membership. It was formed under the immediate supervision of Bro. John J. Leonard, H. J. C., and he was ably assisted by several of the members of Gallagher Court No. 64.

St. Cecilia Court No. 105, Boston, 26 Charter members.
Instituted September 6, 1894.

This Court is composed of women, and was formed principally through the efforts of Bro. George Wirth of Holy Trinity Court No. 51. It will undoubtedly prove as valuable an addition to our ranks as has its big brother, Holy Trinity No. 51.

St. Clare Court No. 106, Boston, 17 Charter members.
Instituted September 20, 1894.

This Court is composed of women, and is located at the South End, Boston. It was formed of friends and relatives of members of Cathedral Court No. 1, and a large delegation of members of No. 1 may always be found visiting the meetings of No. 106. It has had an excellent growth since its institution, and promises to be a very influential Court.

Notre Dame Court No. 107, South Boston, 18 Charter members.
Instituted September 24, 1894.

This Court is composed of women, and is nobly endeavoring to do its duty. It will be a large court in time, and has had a very good influence on the four Courts of men in South Boston.

St. Agnes Court No. 108, Hyde Park, 18 Charter members.
Instituted November 21, 1894.

This Court is composed of women, and started off under good auspices. It will prove a formidable rival to St. John Court No. 23.

St. Teresa Court No. 109, Peabody, 21 Charter members.
Instituted December 6, 1894.

While all these Courts were being instituted, Bros. D. J. Sweeney, T. F. Lyons, J. L. McManus and others of Peabody, were very busy getting the material for a Charter list, and the Court was instituted Dec. 6, 1894, with a Charter list entirely of women. It is growing well, and the members are much interested in the work of the Order.

St. Veronica Court No. 110, Plymouth, 15 Charter members.
Instituted December 14, 1894.

This was the next Court of women, and although its membership is not large it is very energetic, and its members are fully alive to the value of insurance.

St. Valerian Court No. 111, Springfield, 25 Charter members.
Instituted December 15, 1894.

The women of Springfield had become very much interested in the Order after a second Court of men was formed there, and almost before the High Standing Committee could prepare for it, a Charter list with over 40 names was sent in, and on Dec. 16, 1894, the High Standing Committee instituted St. Valerian Court No. 111.

Isabella Court No. 112, Holyoke, 33 Charter members.
Instituted February 2, 1895.

This Court was instituted on the petition of Catholic women of Holyoke, and is not second to any Court of men or women in enthusiasm or devotion to the work of the Order. A great deal of credit for the formation of this Court should be given Bro. F. F. O'Neil, and other members of Shields Court No. 63.

St. Jerome Court No. 113, Boston, 23 Charter members.
Instituted February 21, 1895.

This is a Court of men and women and is the only Court with both on the Charter list. It has a nice membership, and will prove a creditable addition to the Order.

Alma Mater Court No. 114, East Boston, 19 Charter members.
Instituted March 22, 1895.

This Court is composed of women, and although small in numbers, it possesses the right spirit and will grow under the fostering care of Leo Court No. 5 and Williams Court No. 19; there is no doubt of its future.

Joan of Arc Court No. 115, Rockland, 30 Charter members. Instituted March 25, 1895.

This Court was formed through the immediate efforts of Bros. Healy, Lawless, Keegan and others of Rockland. It is composed of women, and they are a valuable addition to our membership.

Martha Washington Court No. 116, Lynn, 39 Charter members. Instituted April 8, 1895.

This Court is formed of women, and the names for the Charter list collected and selected with great care by Bros. McCarthy and Reardon of George Washington No. 85. Like all the Courts formed of women this Court has taken hold of the work of the organization with a will.

With a record of 15 new Courts formed during the past year, it is evident the High Standing Committee has not been idle. The additions to the older Courts have been many, as since April 25, 1894, 1,557 new applications received action by the High Standing Committee.

The number approved from January 1, 1894 to January 1, 1895, was 1,307; the number rejected was 179. The percentage of rejections is thus shown to be 12 per cent. of the total number received. It will be seen that the occupations of those approved and rejected does not materially differ from the list of last year.

In this connection it may be proper to give the following list of hazardous occupations, and applicants following any of them will not be admitted:—

HAZARDOUS RISKS.

Common Miners, Seamen, Members of Life Saving Stations on the Coast, Steam Railroad Men, except Conductors and Baggage Men on Passenger Trains, Aerial Voyageurs, Circus Riders, Coal Miners, Copper Miners, Men engaged in Fishing on the "Grand Banks" or deep sea, Men engaged in the Manufacture of Gunpowder or other explosives, or inflammable substances which include Naptha, Camphor, etc., Men engaged in putting up, repairing or caring for Telegraph or Telephone Wires or Poles, except care of Telephone Wires in Buildings, Grinders of Copper and Brass, Pyrotechnists, Slaters, Sub-marine Divers, Sailors, Powder Makers, Fireworks Makers, Dynamite Makers or Makers of any Explosive Material.

Others will be added when necessary.

Since the organization of the Massachusetts Catholic Order of Foresters the number deceased each year is as follows :

1880	-	-	-	3	1888	-	-	-	46
1881	-	-	-	17	1889	-	-	-	54
1882	-	-	-	25	1890	-	-	-	47
1883	-	-	-	40	1891	-	-	-	53
1884	-	-	-	41	1892	-	-	-	56
1885	-	-	-	48	1893	-	-	-	67
1887	-	-	-	32	1894	-	-	-	73
1881	-	-	-	34					

Of the 73 deaths occurring in 1894, the number each month was :

January	-	-	-	7	July	-	-	-	6
February	-	-	-	9	August	-	-	-	6
March	-	-	-	8	September	-	-	-	7
April	-	-	-	5	October	-	-	-	4
May	-	-	-	6	November	-	-	-	7
June	-	-	-	6	December	-	-	-	2

Among the deceased the shortest membership was that of Michael J. Higgins of Mount Hope Court No. 99, 7 months 15 days, and John T. Jones of Sherwood Court No. 8, 9 months 16 days. The longest was William P. Walsh of Cathedral Court No. 1, who was a member just 15 years on the day of death. The average length of membership of those dying in 1894, was 7 years, 5 months, 20 days.

Our membership January 1, 1895, was 7,350. Deaths during the year 73. Rate per 1,000, 10 nearly.

The High Standing Committee has endeavored to meet all the demands for social and official visits to Courts which were made during the year, and in addition has held weekly meetings; some weeks holding two and three meetings in order to dispose of properly and with despatch the business of the Organization. If any Courts have been slighted in a social way it was because the High Standing Committee found it impossible to attend, owing to other and more important business.

The case of Ferdinand Shields, of St. John No. 33, reported two years ago, remains in same condition.

The case of D. D. Devine, of St. Joseph No. 11, is still awaiting agreement amongst the heirs.

The case of James K. McNeil, of Sherwood Court No. 8, is still unsettled, because the High Standing Committee was unable to determine that the parties claiming the money were rightfully entitled to it. The attorneys for the claimants have entered the case in Court.

The case of Thomas Quinn, of Fulton Court No. 12, is the only other unsettled claim at this writing.

In this case the applicant gave his age, in 1881, on joining the Order, as 40 years. He died February, 1895, and the death certificate was returned giving age 54. The attending physician gave cause of death "old age." The records at City Hall give the age of Thomas Quinn at 65 years. The High Standing Committee, on that showing, did not feel justified in paying the endowment.

The Deputy High Chief Rangers have attended to their duties very well during the past year and have paid 350 visits, according to the reports sent in.

THE ADMISSION OF WOMEN.

For several years the question of admitting women to membership was considered by the Order and at the Convention in St. Rose Hall, 17 Worcester Street, Boston, April 25, 1895, the constitution was amended by striking out the word male wherever it occurred. That insurance was wanted by Catholic women is proven by the fact that 600 have applied for membership since the doors were opened, 13 Courts have been formed exclusively of women.

One Court, St Jerome No. 113 of Boston has been formed of men and women, and the following courts have received applications from women, and many have been admitted to membership:—Sherwood Court No. 8; Iona Court No. 10; St. Gregory Court No. 24; St. Francis Court No. 25; Qualey Court No. 32; St. John Court No. 33; Americus Court No. 34; Sarsfield Court No. 48; Constantine

Court No. 49; St. Lawrence Court No. 61; Griffin Court No. 66; Merrimack Court No. 72; Harmony Court No. 92; Germania Court No. 93; Greylock Court No. 101.

The Order has gained immensely by the admission of women and the benefits will be more apparent in a few years than at the present time.

The membership of the Order January 1, 1895, was 7,350; since then 320 have been initiated, making the total membership 7,670.

The percentage of increase in membership is shown by the following table:—

REPORT OF FINANCE COMMITTEE.

Gentlemen of the Convention:

The undersigned Finance Committee elected at the Fifteenth Annual Session of the High Court of the Massachusetts Catholic Order of Foresters would respectfully report the result of their labors as follows:—

Your committee has carefully examined the books and accounts of the High Secretary-Treasurer covering the receipts of all monies belonging to the Endowment and Reserve Funds, also the receipts from sale of supplies and from Per Capita Assessment, also the vouchers and receipts for all expenditures of the High Standing Committee during the year and find all apparently correct.

Your committee would call to the attention of the High Standing Committee the necessity of the High Secretary-Treasurer distributing two weeks prior to the Annual Convention, his report as provided in the Constitution.

While your committee favors a liberal allowance of money for use of the High Standing Committee during the year, through a Per Capita Assessment, yet we feel warranted in deprecating the action of the committee in exceeding this amount as appears to have been the case this year, thereby making it necessary to recommend, that the Per Capita Assessment for the ensuing year be increased to \$1.00.

Perhaps it is due the High Standing Committee to say, that the extra labor entailed in the organization of Courts of Women, and the great expense of fitting headquarters has cost the Order much money that would be used otherwise were these expenses not necessary, yet even this condition of things in view your committee feel that to live within the limit of the Per Capita Assessments should be the purpose of the High Standing Committee.

Your committee would recommend an appropriation of \$1,500 to be paid and to meet the expenses of a special organizer whose duty would be to relieve the High Standing Committee of the expensive preliminary work in the organization of new courts, and the educational work among our people in the principles of the Massachusetts Catholic Order of Foresters, said organizer to be elected by this convention.

Your committee have carefully examined the books of the Board of Trustees of Reserve Fund, and with pleasure commend the business methods employed, and the desire on the part of the gentlemen comprising the board to assist the committee in its work.

Most of the money comprising this fund is safely invested, paying an average interest of about 4 1-2 per-cent. The papers representing mortgage deeds and insurance are kept in an iron box and deposited in a safety vault in the name of the Chairman of the Board of Trustees.

Respectfully submitted,

JAMES J. LANIGAN,
WILLIAM E. SHAY,
GARRETT H. KEEFE.

Voted to accept report of the committee.

The High Chief Ranger called for the report of the Committee on Constitution.

Bro. Keating chairman of the committee reported that all the amendments offered had been carefully considered and acted on by the Committee on Constitution, and the report of the committee sent to each Court in the Order, as now submitted to the Convention.

BOSTON, MARCH 18, 1895.

Committee on Constitution.

Bro. Keating recommended that all the amendments be passed for this year and moved that the High Standing Committee have the power to employ a lawyer to codify the Constitution at an expense not exceeding \$100.

The High Chief Ranger stated the question.

Bro. Lyons of Harmony Court No. 92 objected to passing the Amendments of the Constitution at this time, and wanted an explanation about how members could sign the Constitution.

Bro. Sweeney of Emerald Court No. 53 raised the point of order that the Constitution was under consideration and not the Ritual.

The High Chief Ranger decided the point not well taken.

Past High Chief Ranger O'Sullivan of Griffin Court No. 66, explained the method of having a member sign the Constitution.

Bro. Quinn of Worcester Court No. 59 offered an amendment that the Ritual be amended as well as the Constitution.

The High Chief Ranger decided the amendment out of order.

Bro. Keefe of Mt. Pleasant Court No. 20 stated that in Cathedral Court No. 1 and in some other Courts the custom adopted by Bro. O'Sullivan for members to sign the Constitution was still in use.

Past High Chief Ranger Fennessey of St. James Court No. 54, stated it was important to have the Constitution improved to agree with the insurance laws.

Bro. Tondorf of Germania Court No. 93 asked for information as to the purpose of hiring a lawyer to arrange the Constitution.

Bro. Keating of St. Joseph Court No. 11 explained that there was no intention to change any of the laws of the Order without proper authority from the Convention.

Bro. J. J. Lanigan of Cathedral Court No. 1 asked why the Corporation Counsel was not requested to do that work instead of hiring a lawyer outside of the Order. He asked the committee to recommend the Corporation Counsel for the work and moved to ammend the motion to that effect.

Bro. Keating of St. Joseph Court No. 11 proceeded to explain.

Bro. Crowne of St. Peter Court No. 18 raised the point of order that the question had not been stated from the Chair.

The High Chief Ranger stated the amendment.

ADDRESS OF THE HIGH CHIEF RANGER,

AT THE

Seventeenth Annual Convention

OF THE

MASSACHUSETTS CATHOLIC ORDER OF FORESTERS

FOR TERM ENDING APRIL 21, 1896.

*Representatives to the Annual Convention of the High Court of
the Massachusetts Catholic Order of Foresters.*

Delegates:

We meet to-day in our Seventeenth Annual Convention to hear the result of the labors of the year just passed, to draw new lessons from the experience of the past year and to give to each other that inspiration and courage so essential to a band of constantly increasing associates whose mission is to build up and strengthen an Organization that has benefited thousands in the past and that in the future will accomplish good, measured only by the loyalty of its members.

We meet with a membership much increased, with no promises broken, with the prayers of those we have benefited and assisted, and with the prospect of a bright future.

The Constitution of our Order requires we make a brief report of the work done for and the condition of the Order during the year, and in obedience to that requirement this report is respectfully presented.

MEETINGS OF HIGH STANDING COMMITTEE.

Since the last Convention the High Standing Committee has held 116 meetings, regular and special, attended by a majority of the members of the Committee.

In addition to these meetings individual members of the Committee have at various times made visits to many localities in the interests of our Society and of these no report is made.

APPLICATIONS FOR MEMBERSHIP.

Since the last Convention we have had 1,670 new applications for membership, and of this number 1,488 were approved by the High Standing Committee, and 182 were rejected.

And here it will be well to remind you that all applications have been acted on at the regular meetings of the Committee held on Monday of each week, and on the next day if found to be safe risks forwarded to the Court to which application has been made. If the applicant is rejected the Court is notified, and this has been the uniform practice for many years. Yet by unthinking members much fault has been found because action is not more rapid, and the High Standing Committee have been unjustly blamed for holding back applications when they have not been received by it; sometimes they have been held by the Medical Examiners, and sometimes for the benefit of the applicant.

NEW COURTS.

During the year 13 new Courts have been instituted so that to-day we have in our Organization 119 Courts, and nearly all of them in a healthy and prosperous condition.

SUSPENSION.

During the year many courts have been threatened with suspension for the non-payment of the Endowment within the constitutional period of 35 days. The law of our Order gives to the member 30 days in which to pay a Call, and the Treasurer of each Subordinate Court 5 days in which to forward it to the High Secretary-Treasurer.

If these provisions are not fully carried out the beneficiaries of our deceased members cannot get in reasonable time and without unnecessary delay that which was guaranteed to them and is guaranteed to ours, the Endowment: and the result is injury done to the Organization by men whose first duty should be to stand loyally by it and defend it from criticism that might easily have been avoided by obedience to the laws of the Order.

ENDOWMENT CALLS.

During the year 11 Endowment Calls were issued; Call No. 131 having been issued April 15, 1896, and being due at the office of the High Secretary-Treasurer, May 20, 1896.

FINANCE.

Our Order was never in a better financial condition than at the present time. While the mortality has been very high this last year, especially during the winter months just passed, we have paid all claims against the Order that were outstanding in the last Convention, and all claims that have been made during the year except seven, the number unpaid at the present time. We will have in the General Fund about \$600 when all outstanding bills are paid.

We have in the Endowment Fund	-	-	-	-	\$102.32
In process of collection, Call 130, about	-	-	-	-	4,700.00
Call No. 131, issued and not yet due, about	-	-	-	-	9,700.00
In Reserve Fund, as per report of Trustees	-	-	-	-	23,667.94
					<hr/>
Making a total provided for of	-	-	-	-	\$38,240.26

to meet the liability outstanding and reported \$7,000, and the money to meet these claims will be in the hands of the High Secretary-Treasurer before they are ready for payment. Two of them are payable to beneficiaries who reside in Ireland, and three are awaiting the appointment of guardians. Two of the seven will be paid in a few days, as soon as the money from Call 130 is received. We can safely say that no other society doing similar work can make a like report.

NO CONTESTED CLAIMS.

PER CAPITA TAX.

Your Committee would recommend that the Per Capita Tax for the ensuing year be 75 cents.

RITUAL.

Many of the members of the Order seem to think that a new Ritual is necessary. This may be so, and the matter is submitted to you for your serious consideration.

INSURANCE COMMISSIONER.

The report of the standing of the Order has been presented to the Insurance Department of this Commonwealth, and the Commissioner is satisfied with the same.

MEMBERSHIP.

Today we have about 8,800 members in 119 Courts, a gain during the past year of about 1,200 members and 13 new Courts, and an average gain during the last five years of about 800 members.

In the Convention of 1891 the High Chief Ranger then reported a membership of 4,800; we have had a safe and steady growth, as safe we think as prudence warrants. We last year had a larger per-cent of increase than any organization doing business in this State, and at a smaller cost for management.

What we want today is quality as much as quantity, we should invite the best, and take nothing else.

The interests of those who look to us for protection, who have placed their interests in our hands should first receive our attention, and no false sentiment or misplaced sympathy should ever allow a person to come into the Organization who will not be an addition to it in something more than name. The Investigating Committee can do great work for the future of our Organization in closely inquiring into the habits of the applicants, if they are leading vicious lives, if they are not leading sober lives, if they are not practical Catholics, they should not be allowed to enter the Massachusetts Catholic Order of Foresters, they will weaken rather than strengthen, and only misplaced sympathy will allow them to become members.

WOMEN.

The courts of women have, indeed, been a valuable addition to the Massachusetts Catholic Order of Foresters, and all those who were in doubt about the wisdom of their admission to our Organization are to-day satisfied that it was one of the best steps ever taken.

Attention to the work of the Order, fidelity and intelligence in the highest degree has been brought by them to strengthen the chain of love that is being constructed, and the brightest and best links in that chain are the Women's Courts.

RESIGNATION OF JAMES F. SUPPLE.

On the 24th day of February 1896, at a regular meeting of the High Standing Committee, a surprise was prepared for a part of the members; James F. Supple, High Secretary-Treasurer, presented his resignation of that office, and requested that it take effect on the election of his successor.

This indeed was a surprise to the members of your Committee. Bro. Supple has been connected with the High Standing Committee, as an officer, from the first Convention of the Order in 1880, having been elected that year to the position of High Court Treasurer, and from that date to the date of his resignation, no man did more than he to further the interests of the Massachusetts Catholic Order of Foresters; holding office for 16 years, doing the clerical work, the financial work and the drudgery for the greatest part of that time, he indeed, was a valuable man for the Organization. But a better opportunity for business presented itself to him, and he felt that his duty to his family and himself compelled him to accept it. For the years of labor and thought he gave to our Organization we thank him, and in his new field of labor we wish him Godspeed and unbounded success.

Under the provisions of the Constitution making it the duty of the High Standing Committee to fill vacancies, on the 29th day of February, James J. McLaughlin was elected High Secretary-Treasurer to fill the vacancy caused by the resignation of Bro. Supple, and John P. Dore was promoted from the position of High Vice-Chief Ranger to High Chief Ranger, and Bro. William E. Shay of St. Francis Court No. 4, was elected High Vice-Chief Ranger.

Brothers our work is done, and in rendering to you this brief and imperfect account of our stewardship, I can only say I did not expect to occupy this place, and did not have the time or opportunity to give to you such a report as our Society warrants.

We to-day have the greatest Catholic society doing business in the Commonwealth of Massachusetts; long years of work have brought it to its present condition; perfection we do not claim for it; we are fallible, but we do claim that the good accomplished and the small cost of the same has never been surpassed by any class of people.

Seven hundred and eighty thousand dollars has been paid into the homes of the poor, not charity in its narrowest sense, but that large and generous charity which impels us to say that in "Faith and hope the World will disagree, but all mankind's concern is Charity."

This has been done at a trifling cost to the members, but at a sacrifice of time and labor by the officers of our society, high and low, that few can appreciate.

We have everything to labor for, Unity is most essential, if we are to survive we must act right, think right, and live right, we must also avoid careless and oftentimes thoughtless criticism, we must deal with facts as they are and not as imagination or idle rumor would have them. Fancy is too often used to gain an end, sometimes to win a point, sometimes to gain applause, sometimes for the purpose of getting office in the Massachusetts Catholic Order of Foresters, it or ambition has no place, and we should remember that "Fancy may be supplied, but truth once lost in the annals of mankind leaves a chasm never to be filled."

We should have no room for jealousy in our Society, emulation in doing the greatest good should be our greatest incentive.

The officers of your selection should receive your warmest approval and support, without it, they will be powerless and unless they have it and the support of all the members, and that loyally and without question, the Organization will not make the progress that its purposes entitles it to.

We are not working for ourselves, we are not laboring for ourselves, we are striving to make homes happier, to keep families united and together, to allay the pangs of poverty and to assist

religion by trying to save souls to God. This cannot be done without self sacrifice, you are asked to do your share not only here to-day but throughout the entire year. Are you willing to do it? The response is yes. No better work can you be engaged in, no holier mission outside of religion itself can occupy the mind of man.

We bring comfort to the afflicted, assistance to the needy, consolation to the bereaved, and in this work we invoke the blessings of Almighty God.

CONCLUSION.

Delegates: called as I was unexpectedly, and much against my inclination seven weeks ago to the honorable position of High Chief Ranger of the Massachusetts Catholic Order of Foresters, I have tried since then to perform the duties of the office to the best of my ability, because it was, first, my duty to do so, and, secondly, because it was a pleasure. Quietly, surely and steadily it has grown from an humble beginning until to-day it has reached proportions greater than was ever dreamed of by the men who founded it nearly 17 years ago.

It appeals to all who have at any time studied the social conditions of the Catholic people of this State; it has appealed strongly to all who are interested in the welfare of their kind.

The hundreds of happy homes scattered throughout our dear old Commonwealth made sacred and kept together through its agency will ever serve as an incentive to men to work to advance its interests.

To properly look after and guard those interests will require more time than my duties will allow, and there are many others who are well qualified to perform the work.

During the five years that I have been a member of the High Standing Committee I have felt the necessity of constant watchfulness and care and I have tried to do my share to bring the Order to its present proud position.

It will require more travelling, more absence from home, and more labor than a man of my years, in addition to my other duties and responsibilities can give it; and while we may all be considered

a part of one great family yet that nearer and dearer family of wife and children demands closer attendance at home. I therefore announce that I am not a candidate for, and will not accept, any office within the gift of the Convention.

Delegates: I have only a few more words to say, I am satisfied that God has blessed the Massachusetts Catholic Order of Foresters and that he will continue to pour his blessings on it and its members as long as it and they are true to the principles it has taught.

While I cease to be an officer my work and labor will as ever be at your service and I may say of it—

“ Where ’er I roam, whatever realms to see,
My heart untrammelled fondly turns to thee;
Still to my brother turns with ceaseless pain,
And drags at each remove a lengthening chain.”

JOHN P. DORE.

High Chief Ranger.

REPORT OF HIGH SECRETARY-TREASURER,

JAMES J. McLAUGHLIN.

To the Representatives of the Massachusetts Catholic Order of Foresters, in the Seventeenth Annual Convention assembled:

In accordance with the Laws of our Order, I herein submit for your information and consideration a report of the work of the High Standing Committee, and a balance sheet of the receipts and disbursements for the year ending December 31, 1895. In compiling this statement, I have included the entire year's transactions so as to bring our Annual Report in harmony with the reports of the Subordinate Courts, and also in harmony with the annual report to the Honorable Commissioner of Insurance for the State of Massachusetts. This is the course pursued by all fraternal societies and in accordance with laws of the State and our Order.

For the use and information of the Convention, I have compiled an additional report for the time elapsing between January 1, 1896, and April 1, 1896, bringing our labor down to the date of the examination of the books by the Finance Committee of the Convention.

During the year your Committee have held 52 regular meetings and 63 special meetings, a total of 115 meetings.

Since our last Convention 12 new Courts have been instituted in the following towns and cities, and named and numbered as follows:

St. Bridget Court No. 117, Wayland. Instituted June 30, 1895. Chief Ranger, John F. Molloy; Recording Secretary, Peter S. Zimmerman.

St. Othilia Court No. 118, Roxbury. Instituted June 30, 1895. Chief Ranger, Mrs. M. Winteroll; Recording Secretary, Mrs. Clara Menz.

St. Boniface Court No. 119, Roxbury. Instituted October 27, 1895. Chief Ranger, Leo Schroth; Recording Secretary, Leo F. Volk.

University Court No. 120, Cambridge. Instituted November 3, 1895. Chief Ranger, John E. Dwyer, M. D.; Recording Secretary, R. M. Fitzmaurice.

St. Beatrice Court No. 121, Bridgewater. Instituted November 24, 1895. Chief Ranger, Nellie Luddy; Recording Secretary, Annie Devine.

St. Ursula Court No. 123, New Bedford. Instituted December 12, 1895. Chief Ranger, Mrs. Ellen A. Powers; Recording Secretary, Bridget Manning.

St. Matthew Court No. 122, Natick. Instituted December 17, 1895. Chief Ranger, Matthew Brannigan; Recording Secretary, William R. Gregg.

St. Loretta Court No. 124, Worcester. Instituted December 27, 1895. Chief Ranger, Mrs. A. M. Kenny; Recording Secretary, Annie A. O'Neil.

St. Aloysius Court No. 125, South Boston. Instituted January 31, 1896. Chief Ranger, Edward Gramer; Recording Secretary, Jacob P. Walter.

Bunker Hill Court No. 126, Charlestown. Instituted February 14, 1896. Chief Ranger, John J. O'Hare; Recording Secretary, John J. Lynch.

St. Paul Court No. 127, Germantown. Instituted February 20, 1896. Chief Ranger, Joseph Kern; Recording Secretary, Joseph Konig.

Abraham Lincoln Court No. 128, Gloucester. Instituted March 29, 1896. Chief Ranger, Mary C. Whalen; Recording Secretary, Margaret F. Tracey.

A new court of men is in process of formation in the city of Chelsea; 18 applications being in the hands of the High Standing Committee and the court will no doubt be instituted before the Convention meets. The Foresters of Danvers, also of Brookline, are working to establish new courts of women, and the promise of success is good.

The growth of the Order during the period elapsing since our last Convention, has been numerically and physically of the most gratifying character. The large number of 1,583 applications having been received and examined, out of which the number of 1,416 were approved, and 167 were rejected, the rejects being about $9\frac{1}{2}$ per cent. of all received. This is very complimentary to the care of the individual members of the Order in so much that they are careful of the risks they solicit to join our ranks.

Our death rate has shown an increase during the year, but not of so great a ratio as associations of a corresponding age, yet sufficient to call for rigid inspection of all applicants for admission to the Order.

The unsettled cases reported at the Convention of 1895 have been satisfactorily settled without litigation.

The heirs of Bro. Ferdinand Shields of St. Johns, No. 33, having furnished additional evidence, the Committee considered the claim just and ordered the payment of the same.

In the case of Bro. Devine of St. Joseph, No. 11, an amicable arrangement was brought about, and the Committee ordered the payment.

The case of Bro. James K. McNeil was adjudged a just one in accordance with the decision of the Courts of Law, and payment was ordered and made in accordance with the vote of the Committee.

The Deputy High Chief Rangers have shown, in a great majority of the districts, a commendable zeal in their attention to the affairs of their district, and have been a valuable aid to your Committee.

The number of Mortuary Assessments issued during the year were 10; from No. 117 to 126 inclusive, and the amount realized is set forth on page No. 9 in balance sheet exhibit.

Much unnecessary delay is occasioned your Committee in the payment of death claims, by the methods used in naming beneficiaries; when the applicant makes his beneficiary his wife, or to a single adult individual, it becomes an easy matter to pay the claim, and that, without the elapse of a great deal of time; but when made payable to two or more persons and often to minors, it causes delay and expense in getting out guardianship papers, and often months elapse before final settlement can be made; this should be brought to the

attention of Courts by the officers and deputies and remedied; many instances can be cited of this delay, caused as stated above, where fault has been laid to the Order, and doubt created as to our intention and ability to pay.

In conclusion the outlook for a prosperous year for 1896 is of the most promising kind, and with zealous efforts rightly directed, an increase of membership can be made that will bring us above the 10,000 mark and give an impetus that will carry us onward to the goal of our ambition, viz: 25,000 of good and true Catholic Foresters.

Respectfully submitted,

J. J. McLAUGHLIN,

High Secretary-Treasurer.

SEVENTEENTH ANNUAL CONVENTION
OF THE
MASSACHUSETTS CATHOLIC ORDER OF FORESTERS

HELD AT
HALL OF THE CATHOLIC UNION, BOSTON.

The Convention was called to order by High Chief Ranger John P. Dore at 10.30 o'clock, A. M., prayer being offered by High Court Chaplain Rev. Hugh Roe O'Donnell.

The Junior Conductor John J. Leonard reported Senior Conductor Patrick M. Keating and High Outside Sentinel Jeremiah G. Fennessey absent.

High Chief Ranger Dore appointed Bros. Daniel F. Sullivan of Sherwood Court No. 8, High Senior Conductor, and Patrick A. Donovan of SS. Peter and Paul No. 15, to act as High Outside Sentinel.

High Chief Ranger Dore then introduced High Court Chaplain Rev. Hugh Roe O'Donnell, who delivered a very impressive address on the duty due the Order from its members, encouragingly referring to the success which had followed the efforts we had put forth and cautioned against unjust criticism when men did faithful work, urging all to stand loyally by the government of their choice, frown down factions, dissensions, and strengthen their officers by a hearty and unanimous support. Father O'Donnell at the close of his remarks was heartily applauded.

High Secretary-Treasurer McLaughlin then read the call for Convention as follows:—

To all Courts of the Massachusetts Catholic Order of Foresters :

Brothers :

In compliance with the provisions of the Constitution of the High Court, the Representatives of all Subordinate Courts are ordered to meet for the Seventeenth Annual Convention of the High Court, to be holden on the TWENTY-SECOND DAY OF APRIL, 1896, at 9.30 o'clock, A. M., at the Hall of the Catholic Union, corner of Washington Street and Worcester Square.

The basis of representation shall be as provided for in ARTICLE II, Section 3, of the High Court Constitution.

Credentials for legally elected representatives accompany this call which must be duly signed by the Court Officers, one to be retained for each representative and the other to be forwarded to the High Secretary-Treasurer.

Per order of the High Standing Committee,

JOHN P. DORE, *High Chief Ranger.*

J. J. McLAUGHLIN, *High Secretary-Treasurer.*

The High Chief Ranger appointed the following—

COMMITTEE ON CREDENTIALS.

James J. Lanigan.....	Cathedral Court No. 1.
John Vogel.....	St. Francis Court No. 25.
Samuel J. Cochran.....	Hamilton Court No. 17.

On motion of Bro. John Doolin of St. Augustine Court No. 46, the report of the Committee on Credentials was accepted.

On motion of Bro. Reynolds of McCafferty Court No. 100, smoking was prohibited during the Session.

The High Chief Ranger read the Annual Report of the High Standing Committee for the year ending April 22, 1896, which will be found on pages 5 to 12.

Bro. Hernan of Mystic Court No. 77 made a motion to tender Bro. James F. Supple a vote of thanks for his services in the past.

Bro. Ward of Sheil Court No. 35 moved to lay on the table.

The High Chief Ranger stated the motion of Bro. Ward and it was voted to lay on the table.

The High Chief Ranger appointed the following—

COMMITTEE ON APPEALS.

Patrick M. Keating.....	St. Joseph Court No. 11.

Bro. D. A. Cronin of St. Joseph Court No. 11 moved that the election of officers take place at precisely 3 o'clock.

Bro. John H. Watson of Essex Court No. 16, seconded the motion.

Bro. J. J. Lanigan of Cathedral Court No. 1, said that the regular order ought to be followed out and that matters equally as important as the election of officers claimed our attention, and he earnestly urged all representatives to remain until every interest was acted upon.

Bro. Tondorf of Germania Court No. 93, agreed with Bro. Lanigan and believed it was a mistake to allow the regular business to be laid aside for the election of officers.

Bro. Lyons of Harmony Court No. 92, wanted each delegate to have an opportunity to cast his ballot for any candidate who is nominated for a place on the High Standing Committee. In the position which he was filling, it was impossible for him and a good many more to sit at this Convention until seven and ten o'clock. He had attended three Conventions and had been obliged to take the late train.

Bro. O. A. Galvin of Cheverus Court No. 6, moved the previous question which was ordered, and the Convention voted to ballot for officers at 3 o'clock, P. M.

Bro. A. M. Lanigan of Cathedral Court No. 1, doubted the vote.

The vote being again taken there were 88 in the affirmative and 37 in the negative.

Ladies and Gentlemen of the Convention :

In compliance with the requirements of the Constitution, the Finance Committee would respectfully report as follows :

About April 1, your Committee was notified of the resignation of the High Secretary-Treasurer, and of the election of Bro. James J. McLaughlin to the position, and also that the books, accounts, etc. were in readiness to be examined, and again began its work completing the same April 12.

After a careful examination of Endowment accounts and payments, of receipts from supplies furnished the different Courts of the Order, of receipts and disbursement of the Per Capita assessment fund, and of office expenditures, bank book and check book accounts, would report all correct, and in this connection your Committee desires to commend the work of Bro. McLaughlin in inaugurating a system of accounts which will make the work of the next Finance Committee pleasant and easy to perform.

1. Your Committee would recommend a reduction in the Per Capita Assessment to 75 cents. That the salary of High Secretary-Treasurer be continued at \$2500 per year. We find that from this sum the High Secretary-Treasurer has to pay for one extra clerk the sum of \$312, thus reducing his salary that amount. Your Committee has also examined the books and papers in the hands of the Board of Trustees of the Reserve Fund, and find all correct, as per report of the Board of Trustees, and can speak only in praise of the careful method pursued by the Brothers in the care and investment of this Fund.

2. Your Committee would recommend that some compensation be made to each member of the Board of Trustees for the difficult and important service they must render in handling the rapidly increasing fund.

3. That the bonds of the Trustees be increased to \$10,000 each, and that the High Standing Committee be instructed to have this order complied with, the expense to be paid from the General Fund.

4. Your Committee would recommend a suspension of the Reserve Fund Assessment, except for new members, and in the case of new members the assessment to this fund shall be \$1.00 payable in advance together with the initiation.

After an inventory of the stock of supplies on hand and furnishings of Headquarters, including desks, safes, chairs and fixtures your Committee would value the same at about \$1200.

Respectfully submitted,

JAMES J. LANIGAN,
GARRETT H. KEEFE,
WILLIAM E. SHAY,

High Chief Ranger Murphy on being conducted into office delivered the following inaugural.

ADDRESS OF HIGH CHIEF RANGER STEPHEN MURPHY.

*Sisters and Brothers of the Massachusetts Catholic Order of
Foresters:*

I stand here the chosen head of our beloved Order : while thanking you for the honor you have conferred upon me, I realize fully the responsibility imposed, I realize fully the duties you have called upon me to perform, I trust with the assistance of a good God, and with your hearty co-operation, to render a faithful and satisfactory return of the trust you have imposed upon me, at the close of my term of office.

Although I have been an humble member for the past eight years, this is my first appearance as a delegate to your Annual Convention, therefor I cannot but feel signally honored in being selected to fill the highest position in your body, to lead in its onward march to prosperity and success.

Discrimination and preference have no place in the Massachusetts Catholic Order of Foresters, but it seems to me that any race of men who come into this Order, and raise its tone and standard, increasing its membership in a large measure, and lend themselves loyally to the dissemination of those grand principles which Foresters hold so dear, that race is entitled not only to public commendation but also to generous recognition, and so I want to say to this Convention, that you have done well in unanimously electing for the first time, on the High Standing Committee, a brother of German lineage. The sturdy qualities of the German, his careful habits, his vigor of mind and body, all combined to make him a desirable Forester, and we may look for an increase in that direction.

There is another matter which it is hoped will receive increased attention, because of its importance to the Order, and because it has thus far been a source of benefit to us all. I refer to the Ladies' Courts. Experience has taught us that the ladies possess in abundance, all the traits and faculties which enter into the makeup of

good Foresters, and they have done so admirably well, that I hope my colleagues of the High Standing Committee will see the desirability of giving the Ladies' Courts into the hands of Lady Deputies, they understand Forestry as well as the men, and I have a notion that they understand each other better; for this reason I am of the opinion, that to give the ladies some representation on the staff of Deputies, would be a long step in the right direction.

As the human body is subject to disease, requiring the Physician and Surgeon, so likewise are organizations; evils will creep in, like the cancer, eating away the vitals, destroying the very life blood, demanding prompt and heroic treatment, with one object in view, the welfare, the health, the very life of the Organization.

By the report of our retiring High Chief Ranger we find an increase of membership for the past year of twelve hundred and eighty; this year, I trust at its close, to present at least as good a report, but what I will prize still higher, and what I shall endeavor to attain, is the unbounded confidence and respect of every man and woman of the eight thousand members of our Organization.

Complaints have been growing for some years past that the attendance at meetings of the different Courts has been very indifferent, and in some cases it has been impossible to get a quorum; now something ought to be done to arouse the enthusiasm of the members, to that end, I should suggest to the different Courts, that they devise some form of ceremony for the initiation of candidates. By that, I hardly propose a radical alteration of the ritual, but rather, something that would be a source of entertainment to the members, and at the same time, something of which the High Standing Committee could sanction as being within the rules of the initiation; in this way meetings would be made attractive, and a better attendance of the Subordinate Courts, means more enthusiasm, and better results.

Your trusted servants, the High Standing Committee, will keep in close touch with the rank and file of the Order, and at frequent intervals, throughout the year, will render to you a true and complete report as to your financial condition.

A corps of competent and thoroughly qualified Deputy High Chief Rangers will be appointed to frequently visit the Courts, they will be held strictly accountable for the condition of the Courts in their respective districts.

With these few suggestions, I beg leave to join my earnest request, that you individually, do all that you can to assist the High Standing Committee. We are pledged to labor in your behalf, and I hope you will kindly co-operate with us, and when we meet a year hence, let us hope that we will be in a position to congratulate ourselves upon our increased prosperity. Forget the little asperities of this Convention, go back to your respective Courts and urge them on to renewed activity in the good cause.

In the beautiful language of the Ritual, "Remember your duties and be zealous in doing good."

Let us live for those who love us,
For those we know are true,
For the heaven that smiles above us,
And the good that each can do.

Bro. Gallagher of Middlesex Court No. 60, moved in a lengthy speech that a committee of five Brothers be appointed to investigate the books of the High Standing Committee, said Committee to be composed of men who are not members of the present or of any past High Standing Committee.

Bros. Tondorf, Watson, Galvin, Lanigan and Smith opposed the motion which was supported by Brothers Gallagher and Fennessey.

On the motion being put it was lost.

The High Chief Ranger said the next order was election of Finance Committee, and on motion of Brother Galvin the following Committee on Finance were elected.

Daniel J. Gallagher.....of Middlesex Court No. 60.
Jonn Brant.....of Leo Court No. 5.
John Hurleyof Hamilton Court No. 17.
John E. Heslan.....of St. Francis Court No. 4.
Jeremiah Mara.....of Erin Court No. 28.

On motion of Bro. Fennessey of St. James Court No. 54, the motion of a vote of thanks to James F. Supple was taken from the table and the same was passed.

Bro. O'Neil of Shields Court No. 63, spoke of the necessity of free gift of benefit certificates, but the High Chief Ranger ruled it an amendment to the Constitution, and should be presented in writing.

Bro. Watson moved that 1,000 copies of the Constitution be printed in German.

Bro. Fennessey of St. James Court No. 54, was opposed to it.

Bro. Shea of St. Alphonsus Court No. 21, supported it.

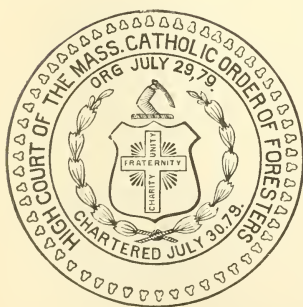

Bro. Tondrof of Germania Court No. 93, supported the motion in a very forcible and convincing speech and was satisfied that great good would result from the motion.

Bro. Cronin of St. Joseph Court No. 11, spoke strongly in support of the motion, and the Convention voted to print 1,000 copies in German.

The order of business having been completed, a motion to adjourn was carried and High Chief Ranger Murphy closed the Seventeenth Annual Convention of the Massachusetts Catholic Order of Foresters in due form and declared the Convention adjourned without date.

J. J. McLAUGHLIN,

REPORT OF THE HIGH SECRETARY-TREASURER.

*To the Eighteenth Annual Convention of the Massachusetts
Catholic Order of Foresters.*

Representatives:

In compliance with the Laws of our Order, I herein submit a report of the work of the High Standing Committee and the Order in general for the year ending December 31, 1896.

Since May 11, 1896, the date of the first meeting of the new Committee elected at the Convention of 1896, to the present date, 63 meetings have been held by the High Standing Committee, on which occasions there was always a quorum present.

Court Commonwealth No. 137, Canton. Instituted December 10, 1896. Chief Ranger, Eva White; Recording Secretary, Kate Danahy. Composed of women.

The quality of the risks entering the Order through these new Courts are of a very high order, and have proved to be a valuable addition to the organization.

Since January 1, 1897, five new courts have been added, comprising Nos. 138, 139, 140, 141 and 142. The prospects are very favorable towards the early formation of a new Court in Neponset; the movement receiving the earnest encouragement of the esteemed Pastor Rev. T. J. Murphy.

On page 11 is a record of the total number of initiations made during the year, tabulated in monthly form, and also the date of formation of new Courts with the number of Charter members composing the same. This table convincingly demonstrates that the great growth

attained during the year, is largely to be credited to the zeal and earnestness of the members of the Order, the internal growth being five-sixths of the entire number. This is signally proven by the large increase in membership, after institution, in Bunker Hill No. 126 and St. Stephen No. 131. It is a grand demonstration of the faith that the members have in the permanency and solidity of the Order.

The total number of deaths that occurred during the year was 94; added to the 13 brought over from 1895 making in all 107; of this number 93 were paid, leaving a balance of 14 in line for 1897. In addition to the 93 paid, there was the sum of \$250 paid to an heir of Patrick Cunningham of Malden, which had remained unclaimed till this year. The total sum paid being \$93,250.

The percentage of deaths was $10\frac{1}{3}$ to the 1000, which is normal, when measured by the American Tables of Mortality, and is much below the rate of kindred societies of the age of the Massachusetts Catholic Order of Foresters.

The death claims remaining unadjusted at the end of the year were those of J. D. Keefe of No. 61, the delay being caused by the uncertainty to whom a portion of the money belonged, his mother having died before him, and she being one of the beneficiaries; an adjustment was finally made by paying to the guardian of the other beneficiary (his niece) taking a bond of indemnity to protect the Order, this being done under advice of the Corporation Counsel Hon. Owen A. Galvin.

The case of John Finnegan of Court No. 6 remains unadjusted, there being four beneficiaries, some related, others not, and the sum of \$300 for funeral expenses; the case is in the hands of the counsel of one of the heirs, no settlement having as yet been reached.

The case of James D. Long of No. 48, is still undecided, the claimants being his widow and his sisters; no agreement seems possible as yet. The Committee must await an amicable or a legal adjustment before making payment.

The total membership of the Order as reported on Call 137, which was issued January 15, 1897 was 10,182, showing an increase of 1,742 new members during the year. The total number of applications received through the year was 1,929; the rejections were 150; failure

to appear for initiation or unreported 37; making the net gain as above. The rejections being 8 per cent. of the whole number of applications received.

The average age of the applicants for 1896 is 33 years and 4 months, which is a pronounced evidence of the high repute in which the Order is held by persons seeking protection for their families, a tribute to its worth and stability and a potent factor in reducing the average age throughout the entire body. The organization that is augmented yearly by the addition to its membership of the younger element of society, builds in the most economical and durable manner, and adds to its longevity to an unmeasurable degree.

On pages 24 and 25 is a financial statement of the entire receipts paid in by the Subordinate Courts to the High Secretary-Treasurer, during the year 1896, which is verified by the vouchers received and by the receipts given.

On pages 26 and 27 will be found the financial statement of the Courts, of their total receipts and expenditures for 1896, together with the net balance on hand January 1, 1897, showing a local reserve force in the Subordinate Courts of \$20,246.34. This is a condition that may well inspire pride in the local Courts, and is an honor to their zeal, and an evidence of the great interest they take in building up their Courts in a solid and substantial manner.

The general average age of the Order is very gratifying, it being for 1896, 36 years and 7 months. This shows a marked reduction from previous years and is produced by the large access of young men and women who seek membership with us. Our Courts are alive to the needs of increased membership, and that it should be drawn from the young, strong and vigorous, who possess the maximum of insurance value, a fact that should be always kept prominently in view.

The Mortuary Assessment Calls levied during the year were Nos. 128, 129, 130, 131, 132, 133, 134, 135, 136. The Courts responded promptly, with full returns of money and number of members, and with a *few exceptions* on the time limit. The mortuary result of the Calls is tabulated on page 14, together with the Per Capita and Reserve Calls.

The result of the prompt returns from the Courts has enabled your Committee to pay with dispatch and without delay the claims arising from our mortality, when the claim is clear and not entangled by complex conditions. The delay in payment is in all cases occasioned by the applications having several persons (often minors) as beneficiaries, and for other purposes, which necessarily have to be adjusted by the Law Courts, hence causing a delay that could be avoided, if properly filled out. The cases of delayed claims reported on page 7, come under this class.

In conclusion the promise for 1897 is most flattering. The work of soliciting is vigorously carried on by the members of the Order with gratifying results. The membership has reached the 10,000 mark, spoken for in our report of 1896, and the work so zealously performed by the members during the year just ended, will, if repeated in 1897, send us with rapid strides on to the 15,000 of loyal faithful Foresters, that should be enrolled under our banner of Unity, Fraternity and True Christian Charity.

Most respectfully submitted,

JAMES J. McLAUGHLIN

High Secretary-Treasurer.

EIGHTEENTH ANNUAL CONVENTION

OF THE

Massachusetts Catholic Order of Foresters

HELD AT

COTILLION HALL, BOSTON,

Wednesday, April 28, 1897.

The Convention was called to order at 10.30, A. M., by High Chief Ranger Stephen Murphy, and was opened in due form.

The High Chief Ranger appointed Proxy Louis Vincent of St. Michael Court No. 70, High Inside Sentinel, in the absence of High Inside Sentinel John J. Leonard of Gallagher Court No. 64.

High Court Chaplain Rev. Hugh Roe O'Donnell opened the proceedings with prayer.

The call for Convention was then read by High Secretary-Treasurer James J. McLaughlin.

The High Chief Ranger appointed the following:—

COMMITTEE ON CREDENTIALS.

Charles F. Morrison . .	St. John Court No. 23.
John T. Mahoney . .	St. Stephen Court No. 131.
Leopold Schroth . .	St. Boniface Court No. 119.
Mrs. Etta Welch . .	St. Gertrude Court No. 141.
Jeremiah Mara	Erin Court No. 28.
Edward Doody	Carroll Court No. 57.
James P. Cleary . .	St. Francis Court No. 4.

During the absence of the Committee on Credentials the High Chief Ranger introduced the Reverend Chaplain, who delivered a lengthy address on the work of the Order, speaking highly of the good done in the past and commending its purpose.

He advised the representatives to study well the interests that had been placed in their keeping and to guard against any attempt to swerve them from the straight path that honor and duty pointed out to them. So far in their history the Church looked with favor upon their efforts, although not strictly a Church Organization, yet composed of the faithful children of our Holy Church. Its efforts to do the good work laid down by the laws of the Organization would merit and receive encouragement by the spiritual advisers of the faithful; greater endorsement could not be expected and should not be looked for. The Organization being secular and governed by them, being entirely a business institution, it behooves all to study closely the best and surest methods and modes of conducting it, to the end that the best and greatest beneficial results may be secured to all. Let there be united action on the part of all, regardless of preferences, to place the government in strong, reliable hands, men in whom rests the confidence of the members and who will be unerringly true to the interests of those who place their trust in them. Following out this course of action will strengthen the Order and build it up in a substantial and durable manner, that it will be an honor to its builders and its members, and will merit the support and blessings of the people of our faith. The esteemed Chaplain was frequently applauded.

The Committee on Credentials through their chairman Bro. Charles Morrison of St. John Court No. 23, reported present 173 Representatives and 33 Proxy Representatives, total number being 206.

High Chief Rauger then read the following address and report of the work of the Order and High Standing Committee for the year ending April 27, 1897.

Address of High Chief Ranger

STEPHEN MURPHY.

*Representatives to Annual Convention of the High Court of
the Massachusetts Catholic Order of Foresters.*

Today we are assembled in Annual Convention to hear the report of our officers, who will reveal to you its condition, and tell you of its progress during the past year, one of the most prosperous since its inception.

The rapid increase of membership during the past year, is indeed gratifying, as indicating that our Order has the confidence of our people and will continue to receive their generous support.

During the past year the High Standing Committee have held sixty-three meetings, a quorum always being present, and the business of the Order has been transacted with promptness and despatch ; one of our main objects being to settle our death claims immediately upon proper presentation of the necessary proofs or papers, settlement being made in a large majority of cases within one week after our receiving notification.

During the past year we have had eighty-three deaths.

Suspended during the past year, one hundred and twenty-seven members.

Court Loyola No. 94, surrendered its charter and went out of existence, its members going into other Courts.

Applications for membership to the Order during the past year, numbered two thousand and forty-three.

Of these, one thousand eight hundred and eighty-six were approved and one hundred and fifty-nine rejected.

Since the last Convention thirteen new Courts have been chartered and instituted.

Making thirteen new Courts with a charter membership of three hundred and twenty.

OUR MEDICAL STAFF.

We have attached to our Order a superb body of Physicians numbering eighty-eight, twenty having been added during the past year. The quality of their work is best demonstrated by its results. Our Order according to its Annual Report has a lower mortality rate than any Fraternal Insurance Organization in the State.

On this Board to a great extent, the welfare and prosperity of our Organization depends. We have also as part of our Medical Staff, three lady physicians, each of whom has already proved to be possessed of superior qualifications.

OUR DEPUTY HIGH CHIEF RANGERS.

During the past year we have added to our staff of Deputies, so that now we have the assistance of an admirable body of one hundred and fifty-eight; one for each Court and eighteen at large.

I am pleased to state that with very few exceptions, their work has been very satisfactory, and their duties very creditably performed, the result attained being a more perfect uniformity of proceedure.

For the first time, this year, we have appointed in all cases where possible, a lady Deputy in charge of lady Courts. This has been found very agreeable, and will without doubt be continued hereafter.

NEW RITUAL.

During the past year, your Committee has given considerable time to the consideration of a new Ritual, or additions to the present form. They have gathered the various ideas from other Courts, and after weighing the matter carefully, have decided to present for your consideration a complete form at an early date.

AMENDMENTS TO THE CONSTITUTION.

One of the most important and far-reaching amendments presented is the one suggesting the arrangement of three classes, viz :

One for Five Hundred Dollars, one for One Thousand Dollars, one for Two Thousand Dollars. This is, to my mind a new departure and should be very carefully considered before adoption : it has its advantages as well as its disadvantages.

In conclusion, let me take advantage of this opportunity to extend my heartfelt thanks to my Brother Officers, for their assistance, and also to all other members of the Order, for their co-operation in making this year one long to be remembered in the annals of the Order, as one of the most active and flourishing.

Let the great good we have done be an incentive for more energetic work in the future. Let us be true to ourselves and we will be true to each other : then our Order will shine and with the assistance of a good God, may our grand Order grow and become a crowning glory to our Race and to our Faith. Let the Catholic of Massachusetts point with pride to the Massachusetts Catholic Order of Foresters.

STEPHEN MURPHY,

High Chief Ranger.

Bro. Owen A. Galvin of Cheverus Court No. 6, moved that the report and address be referred to a Committee consisting of High Vice-Chief Ranger Thomas F. Doherty, High Medical Examiner Joseph D. Couch, M. D., and High Inside Sentinel John J. Leonard.

Bro. O'Hare of Bunker Hill Court No. 126, objected to the reference.

Bro. O'Loughlin of St. Joseph Court No. 11, objected to the reference and took exceptions to Bro. Galvin's nominating the Committee at the same time with his motion to appoint, and thought it should be in conjunction with the Finance Committee.

Bro. Galvin of Cheverus Court No. 6, accepted Bro. O'Loughlin's suggestion and added the Finance Committee to his motion.

Col. Doherty of Leo Court No. 5, said that the Sub-Committee had charge of the matter contained in the report and address, and would report their work to the Convention.

Bro. J. G. Fennessey of St. James Court No. 54, moved that Bro. Galvin's motion be laid on the table, which motion was carried.

Bro. Fennessey then moved that the High Vice-Chief Ranger be requested to read his report, which motion was put and carried, and Bro. Doherty took the platform and made his report, after which it was placed on file.

The High Chief Ranger then appointed the following Committees:

We estimated the stock of supplies on hand and furnishings of headquarters, including desks and safes at \$1,500.

We find the books and accounts of the Order as kept by the High Secretary-Treasurer to be correct and we may here add, that the system of book-keeping inaugurated by Bro. McLaughlin is a great improvement upon the system, or the entire lack of system followed in the past; we are confident that in the future, with the few suggestions of your Committee and with the office experience gained during the year, that the business of our Organization will be conducted in the proper way, books will always balance and vouchers can always be produced for all receipts and payments.

These business methods will result in renewed confidence in our Order, which must surely tend to rapidly increase our membership.

The good example set by the High Court must greatly influence the Subordinate Courts to be more prompt and correct in the conduct of their affairs.

Respectfully submitted,

DANIEL J. GALLAGHER,
JOHN E. HESLAN,
JOHN BRANT,
JEREMIAH MARA,
JOHN HURLEY.

The Finance Committee having examined and endorsed the books and accounts of the Board of Trustees, report as follows:

We find that the books, accounts and papers of the Trustees are kept in a neat, concise and correct manner. We consider the investments good, the insurance ample, and the interest rate for

these times good. We would recommend that the Trustees should close their books on December 31, 1897, and have their report made to January 1, 1898, and the First of January each succeeding year. We highly commend the work of the Trustees during the past year in the performance of a responsible duty, without a single charge to Expense Account and can truly say their work was a labor of love.

Finance Committee.

After some discussion the motion was put and carried and election of officers was assigned for 4, P. M.

It was on motion voted to take up the report by sections.

Bro. Shea read the first amendment as follows:

"The officers of the High Court shall consist of a High Chief Ranger, High Vice-Chief Ranger, High Secretary, High Treasurer, High Senior Conductor, High Junior Conductor, High Inside Sentinel, High Outside Sentinel, High Chaplain and High Medical Examiner."

The Committee voted LEAVE TO WITHDRAW and Bro. Shea moved the adoption of the Committee's report.

Bro. Crosby of St. Francis Court No. 4, supported the motion of Bro. Ward.

On motion the High Secretary-Treasurer called the roll and the motion of Bro. Ward was lost, the vote being 98 yeas, 109 nays.

The report of the Committee was accepted.

REPORT OF THE HIGH SECRETARY-TREASURER.

*To the Nineteenth Annual Convention of the Massachusetts
Catholic Order of Foresters.*

Representatives:

In compliance with the Constitution of our Order I herein submit to you a report of the work of the High Standing Committee of the Order in general, for the term ending December 31, 1897.

The High Standing Committee have held during the year 1897, 67 regular meetings in the interest of the Order at which a quorum was always present. In addition the Committee have made 53 official visits to the Courts of the Order throughout the State and have received, without exception, a most cordial and fraternal greeting.

During the year in the performance of their duties they have chartered and instituted the following Courts:

St. Josephine Court No. 138, Dorchester, instituted January 29, 1897, with 20 charter members, average age 33.1 years.

Father Denvir Court No. 139, Beverly, instituted February 24, 1897, with 34 charter members, average age 35.05 years.

Angelus Court No. 140, Dorchester, instituted March 11, 1897, with 16 charter members, average age 25.5 years.

St. Gertrude Court No. 141, Charlestown, instituted March 21, 1897, with 30 charter members, average age 35.7

Lepanto Court No. 142, Malden, instituted April 14, 1897, with 18 charter members, average age 32.8 years.

Our Lady of Lourdes No. 143, Jamaica Plain, instituted May 13, 1897, with 25 charter members, average age 32.9 years.

Bethlehem Court No. 144, Roslindale, instituted May 21, 1897, with 32 charter members, average age 29.8 years.

Norfolk Court No. 145, Dorchester, instituted July 29, 1897, with 24 charter members, average age 28.7 years.

St. Wilhelm Court No. 146, Providence, R. I., instituted August 8, 1897, with 29 charter members, average age 34.1 years.

St. Helena Court No. 147, Lynn, instituted September 24, 1897, with 49 charter members, average age 29.7 years.

Making a total of 10 new Courts with a membership of 277.

These new Courts have presented for initiation a most excellent quality of risks and have evidenced their zeal by their growth since institution, which shows them to be a valuable acquisition to our Order.

The year has been a flattering success in the zeal displayed by the membership in securing additions to our Order.

The total number of applications received being 2,189.

Of these there were approved by the High Medical Examiner and High Standing Committee 1,992.

There were rejected 197. Subtract from the number written 2,189 the charter members of new Courts, numbering 276, it shows that the internal growth, by the efforts of the individual members of the Order has been in number 1,913 applications.

A grand tribute to the zeal of the members and a convincing proof that the Order is FIRST and FOREMOST in the minds of our membership, and is an evidence of the abundant faith that the members have in its permanence and its power to fulfil every contract that has been written since its institution.

The total number of deaths that occurred during the year was 96, added to the number brought over from 1896, 14, making a total of 110. Of these 98 were paid, leaving a balance due on the Mortuary account January 1, of 12 deaths. The percentage of death rate has been reduced from $10\frac{1}{3}$ deaths in a thousand in 1896 to 9 in the the thousand of 1897. This reduction is to be attributed to the careful supervision and scrutiny of the applicants who seek admission to our Order.

I am happy to report but one unadjusted death claim, that of Jas. D. Long, of Sarsfield Court No. 48, in which the contestants are before the Courts on the question to whom we shall pay the claim.

This case was reported in last year's report and remains still unadjusted.

It has been the endeavor of the High Standing Committee to pay as promptly as possible all adjusted death claims, and a review of the year proves that their efforts in that direction has been marked with success as the time elapsing between the death and payment has been the shortest of any period in our history.

The total membership in the Order in good standing as reported on Call 144, which expired on January 4, 1898, was 11,511 members. The average age of the Order computed from the returns from 130 Courts shows it to be 38 years. The age of the applicants for admission into the Order during the year show a marked reduction in average age from those in 1896, being 32 7-10 in 1897 to 33 4-10 in 1896. This has a certain influence on the entire Order and is recruiting our membership in the right direction and among the class that brings with it the largest insurance value. This is a feature that has a most important bearing on the financial standing of the Order and I cannot feel, but that it is the duty of the officers and leaders in the Order to constantly keep this before their members in securing new candidates for membership.

The Order increases in age yearly at the rate of 12,000 years. To offset this and keep the average age at a fairly insurable figure, our efforts should be constantly directed in securing youth as candidates for membership. As the average age advances and the membership grows older, it is a well known law, that the insurance value diminishes in the same ratio as the age increases. On the other hand, as the average age decreases, or, I may say as the age is reduced in years, the insurance value increases correspondingly, and consequently taxation is reduced. Too much emphasis cannot be laid on this important point and those having direction of affairs in the local Courts, should impress upon their membership the importance of this feature.

On pages 24 and 25 is a financial statement of the entire receipts paid in by the Subordinate Courts to the High Secretary-Treasurer, during the year 1897, which has been verified by the vouchers received from the Treasurers of the Subordinate Courts and also by the carbon duplicates giving the same. This statement is certified to after investigation by Finance Committee of the Order.

On pages 26 and 27 will be found a Financial Statement of the Courts as reported to the High Standing Committee of their total receipts and expenditures for 1897, together with the net balance on hand January 1, 1898.

This exhibit reveals a local reserve force of the Subordinate Courts of \$22,074.70 a gratifying financial condition.

It is a source of satisfaction to the Committee to know that this Reserve under the control of the Subordinate Courts is making a material yearly increase and is a potent means of building up the local body in a substantial and solid financial manner.

The Mortuary Calls levied during the year Nos. 137, 138, 139, 140, 141, 142, 143 and 144 making the total number of Calls, 8, certainly a record unequalled.

The response in the return of the Calls from the Courts has shown somewhat of an improvement, but there is still room for further improvement. The practice has become fixed among the Courts to take the full limit of time, this arises from the collections being made largely at the nearing of the expiration of the Call. A remedy for this is in the hands of the local body and if the Financial Secretaries of the Courts would more strongly insist upon the prompt payment from the members and make their collections early in the life of the Call, they would be in a position to honor the drafts from the High Standing Committee with more promptness than is at present the rule. It is a rare exception for the Committee to record the payment of the Call before the period of the 35 days allowed the Treasurer of the Court. All the members of the Order know their liability to suspension, if not paid within the limit of thirty days, and it would be a relief, which would be much appreciated by the Financial Secretaries, if they could receive their payments when the Call is first issued, instead of having it delayed to the time of its expiration.

GRADE CLASSIFICATION.

Following is a classification of the membership in the different assessment grades, as provided by the system adopted in 1884, giving the numerical strength of each class as reported on Call No. 144, which expired on January 4, 1898.

1st.	The number who were assessed in the \$.90 class was	1,970.
2nd.	“ “ 1.00 “	2,480.
3rd.	“ “ 1.10 “	2,487.
4th.	“ “ 1.20 “	2,021.
5th.	“ “ 1.30 “	1,465.
6th.	“ “ 1.50 “	1,083.

Total number - - - 11,511.

This classification is suggestive of much thought to the true Forester in relation to his efforts to secure additions to our ranks and indicates to him, plainly, the class that should be augmented, and toward which his efforts should be directed. We must build for the future and not for the present. It should be the aim of all to devote their energies to construct our edifice in the most enduring and substantial form to the end, that it may withstand the assault of age, successfully, and when we of to-day are called to our long account, we can feel that we have transmitted to our heirs and successors an institution stronger financially and numerically, than when we entered, and one built and conducted on principles that must insure permanency.

APPLICATIONS AND INVESTIGATIONS.

It becomes an imperative duty to call the attention of the Representatives and through them the membership of the Order, toward the indifferent manner in which Applications for Membership are filled out, resulting in great delay in having the applications passed upon and also entailing from the office of the High Standing Committee, an excessive amount of correspondence with the applicant, the Court and the Medical Examiner before the applications are in a completed form for the action of the High Medical Examiner and High Standing Committee. Scarcely an application comes in that is complete; the omission of the date of birth, of the date and place of marriage, the omission of the ages of their brothers and sisters, all points of the utmost importance for determining the value of the application, are constantly omitted, and although requested to read the application before making the examination, the Medical Examiner proceeds to make the examination, regardless of the imperfect manner of filling out.

It is with regret that the Committee is compelled to conclude that the wilful misrepresentation as to the correct age of parties applying for membership is becoming alarmingly frequent, and compels the Committee to perform the duties that belong to the Investigating Committee of the Courts. A large majority of cases thus investigated results in the refusal of admission to the applicants, the proof generally being against them, this imposes upon the clerical force of the office a vast amount of additional work which should be attended to by the local body. *Some more effective and secret method of investigation must be devised and fearlessly performed to protect the Order from the designs of unscrupulous applicants.*

The promptness in the discharge of our obligations occurring during the year has made membership in our Order a thing most desirable and has had the effect of bringing forward applicants, who, while in many respects desirable, have acted in filling out their applications as though an error in age of two, three or more years was of little consequence, and their desire to obtain membership stronger and more important than their love of accuracy. This matter should be forcibly impressed on the membership at once, and arouse in them the importance of a keener and more searching investigation of the papers intrusted to their charge.

CONCLUSION.

The congratulations of the High Standing Committee, individually and as a body, are extended to the entire Order for the healthy condition of our Organization, also for the zeal and interest displayed throughout the Order by the members in their endeavor to establish, increase and broaden it in its grand mission of charity, a mission that has for its purpose the elevation of its membership in all that tends to make them better men and women.

Respectfully submitted.

JAMES J. McLAUGHLIN,
High Secretary-Treasurer.

Bro. D. F. O'Sullivan being present as a representative from Griffin Court No. 66, of Franklin, High Chief Ranger Shay ordered the High Conductors to escort him to the platform, where High Chief Ranger Shay introduced him to the Convention, many of the Representatives never having seen him, saying "I take especial pleasure in presenting to your notice the founder of the Order and its first High Chief Ranger, and one whom we can thank for the great Organization which we so proudly represent in this Nineteenth Annual Convention, Bro. Dennis F. O'Sullivan."

Bro. O'Sullivan was received with demonstrations of joy, and spoke with warm feeling of the happiness it gave him to see the splendid body of women and men now before him, representing the great body of loyal Catholics working harmoniously in God's work of love and charity, and God will bless with his choicest blessing, the workers in His holy cause.

High Chief Ranger Shay then presented the Rev. Hugh Roe O'Donnell, High Court Chaplain, who held the close attention of his hearers for thirty minutes in an address full of good fatherly instruction and sound advice, for which he received unstinted applause.

The High Chief Ranger then delivered his address as follows :

Address of High Chief Ranger

WILLIAM E. SHAY.

Representatives to Annual Convention of the High Court of the Massachusetts Catholic Order of Foresters.

Another year in the history of our Order has passed away, and in the performance of my duty, I submit the following report:

During the past year the following Courts have been instituted:

Our Lady of Lourdes, No. 143,	May 13, 1897,	24	Charter Memb.
Bethlehem,	144, May 21, 1897,	32	“ “
Norfolk,	145, July 29, 1897,	24	“ “
St. Wilhelm,	146, Aug. 8, 1897,	29	“ “
St. Helena,	147, Sept. 24, 1897,	49	“ “
Mt. Carmel,	148, Jan. 13, 1898,	104	“ “
Gen. Montgomery,	149, Feb. 4, 1898,	18	“ “
Cambridge,	150, Feb. 17, 1898,	17	“ “
Perpetual Help,	151, Feb. 23, 1898,	53	“ “
Gen. Francis A. Walker,	152, Mar. 15, 1898,	20	“ “
Father Thayer,	153, Mar. 16, 1898,	19	“ “
Hughes,	154, Mar. 25, 1898,	16	“ “
Magdalen,	155, Apr. 26, 1898,	18	“ “

We have received 2,189 applications; of this number, 197 were rejected and 1,992 were initiated, showing by this result that we have made the largest gain in the history of the Order, and the prospects for its future are exceedingly bright.

This result has not been accomplished without hard work on the part of the members, and in order that our success may continue, we must persist in our efforts with that activity and energy which has in a marked degree animated the members for the past year.

A unity of purpose is all that is necessary, and if persisted in, the time is not far distant, when our wish will be an accomplished fact, and we shall see in every Parish in the Commonwealth a Court of the Massachusetts Catholic Order of Foresters.

It would be well to suggest here that greater care should be taken in soliciting candidates for admission, in the matter of age, as it is not just to the party solicited nor to the Order, when the slightest doubt exists, and it is the duty of the High Court Officers, to scan closely all applications, so that the Order may not suffer nor the applicant be caused unnecessary expense.

It has pleased the Almighty in His wisdom to take from our ranks 96 of our members, and though we parted from them with great sorrow, yet we have the consolation of knowing they tried to do their duty, and we trust they are now enjoying the reward promised to all who persevere in well-doing.

Among the departed ones we particularly miss our Past High Chief Ranger, Owen A. Galvin. We can never forget him who labored night and day that we might enjoy the benefits which result from membership in our Order.

The loss of our Brother Dr. Joseph D. Couch, who was for many years the High Court Physician, and a painstaking, honest man, is deeply felt by all who knew him.

I feel that the thanks of this Convention are due to Dr. Francis J. McQueeney, who kindly gave his services that Mrs. Couch and her children might receive the recompense that would have been theirs had Dr. Couch been spared to the end of this term.

Too much praise cannot be given to the Deputies for the earnestness and zeal which has marked their work. I have many times been placed under great obligations to them and I most sincerely thank them for the uniform kindness and courtesy extended to me and the members of the High Standing Committee.

To the Officers and Members of the Order I am indebted for the many kindnesses I have received during my intercourse with them.

In my visits to the various Courts I have found that as a general rule most of the work, at least the principal part, is left to a few members. I can speak from experience in this, having made a greater

number of visits than any of my predecessors, and consequently having been brought into closer intimacy with the members of the Order.

A great many members think they have done all that is required of them, when they pay their dues and assessments.

In order to encourage a better attendance at meetings, and an increased interest in the good work of the Order, I would make this suggestion :

Select the best men or women for officers; those who are competent and willing and no others. Let them by their example of promptness in opening meetings, discouraging parliamentary disputes, and earnest efforts to make the meetings both attractive and profitable encourage members to attend regularly and promptly.

FINANCIAL COMMITTEE.

The Committee selected at the last Convention to audit the books of the High Secretary-Treasurer have faithfully attended to their duty, giving a great deal of time and labor to the work; and after a close scrutiny of the accounts of the Secretary-Treasurer have reported to the High Standing Committee. They found the books well kept and the accounts correct.

I would recommend that the Committee be reduced to three members, and that they be paid a reasonable sum for their services, as it is too much to expect of the members that they give their time to this work without recompense.

In accordance with a vote passed at the last Convention, arrangements were made with Brother John E. Heslan, an expert accountant to audit the books of the High Standing Committee. He has attended to that duty.

The Convention voted that the examination should be made at an expense not exceeding THREE HUNDRED DOLLARS, and I am happy to say that Mr. Heslan has accomplished the work at less than two-thirds of that amount.

The Finance Committee will report to the Convention what in their judgment the Per Capita Tax for the next year should be, and

I, with the advise of the High Standing Committee, would recommend that one thousand or more, dollars should be set aside for the propagation of the Order, for we cannot expect that the Order can be extended as it should be without some expense.

OUR LATE FINANCIAL DIFFICULTY.

One of the unpleasant happenings, and one which caused the High Standing Committee a great amount of care and trouble, has been settled at last through the efforts of the Attorney for the Order, aided by the Committee, and the High Secretary-Treasurer has on deposit TEN THOUSAND DOLLARS as the result of this settlement.

The Committee did not feel that it would be wise on their part to place this money in either of the Funds of the Order, and a few weeks ago I called a meeting of the Deputies to consult with them. The disposition of this money was discussed, and by an informal vote the sense of that meeting was that the money should be placed with the Reserve Fund. The matter is in the hands of this Convention, and their action will be final. In furtherance of the wish of the Deputies I recommend that the High Secretary-Treasurer be instructed to pass the money over to the Trustees for investment.

NEW HEADQUARTERS.

Some time ago it became evident to the High Standing Committee that the headquarters at 18 Kneeland Street, and the approaches thereto, were in such a condition that it was detrimental to the Order to remain there; the Board of Government of the Knights of St. Rose were approached and after some consideration on their part, consent was given to the Order for a ten years lease of half the second floor at 17 Worcester Street, also the use of a newly built vault in the cellar, together with all necessary alterations at a rental of FOUR HUNDRED AND FIFTY DOLLARS, (\$450.00), per year, which was the rental paid at 18 Kneeland Street. Our accommodations are all that we could wish, and certainly the surroundings are extremely desirable.

AMENDMENTS TO THE CONSTITUTION.

A number of Amendments to the Constitution have been presented to the Committee and I ask for them your careful consideration, and suggest that a Committee be appointed to so alter and amend that the Officers of the Order shall not be called upon so frequently to decide what certain articles mean. When completed by the Committee their work should be submitted to some expert familiar with the laws governing Fraternal Societies and the High Standing Committee be instructed to have this part of the work accomplished as soon after the Committee's report as possible.

SICK BENEFITS.

The question has been asked a number of times how far the article in the Constitution relating to Sick Benefits extends, or if there is a limit to the time that Benefits should be paid, or the members liable to be called upon to act as watchers for the sick.

The Order, by vote of the Convention, left it optional with the Courts to pay sick benefits or not, and the Order has no jurisdiction in the matter.

It was not intended by the framers of the Constitution that the watchers should be furnished in chronic cases, but where a member was alone or unable to furnish them, the Courts if able, were expected to do all in their power to aid the sick or needy, but not to their own detriment.

ANNIVERSARY.

On April 9, 1879, the Massachusetts Catholic Order of Foresters was organized by a few gentlemen in the south end of the city, and on July 30, a charter was granted, signed by the Secretary of the Commonwealth. That we have been successful in carrying on the work left in our charge, no one can question, and we point with pride to the record we have made as the first Catholic Fraternal Organization in the State.

It seems to me that on the twentieth anniversary something should be done to celebrate in a fitting manner that occasion, either by a Parade or a Mass Meeting of the Order. I would suggest that a

Committee of fifteen from various parts of the State be selected to take this matter under consideration and report to the next Convention.

NEW RITUAL.

For some years past the necessity for a new Ritual has been apparent, and the Committee have provided one for this Convention to pass upon. If it prove acceptable, and it is adopted, it is hoped that the Officers will familiarize themselves with the work, so that initiations may not only be instructive but may convey lasting lessons.

THE HIGH STANDING COMMITTEE.

The High Standing Committee have held sixty-six regular and special meetings, and have visited a large number of the Courts, giving them their time for the good of the order. The utmost harmony has marked their meetings, and I feel that I can never repay the different members for their kindness to me, and the willing spirit manifested by them when asked to assist me in any work I had in hand.

Now that a new year's work is about to commence, I would say to you, keep up the good work, and although it be ever so little, for as the Poet says:

“Thy purpose firm is equal to the deed,
Who does the best his circumstance allows
Does well, acts nobly, Angels could no more.”

When you review the good work which the united efforts of this great Order have accomplished, you will feel fully repaid for your share in the work, and you will I hope, merit the blessings of not only the widow and orphan, but also of that good God who has said that a cup of water given in His name shall not go unrewarded.

In conclusion, let me urge upon the members renewed activity in spreading our Order, so that its influence may be felt, and Charity and Fraternity reach everyone who is deserving; and when our time comes to draw the drapery of the long night about us, we may have the satisfaction of knowing that we have not lived in vain, and that thousands yet unborn may say—God bless the Massachusetts Catholic Order of Foresters.

WILLIAM E. SHAY,

High Chief Ranger.

The address was listened to with close attention and was heartily applauded.

While awaiting the return of the Committee on Credentials, Bro. Christopher J. Fay of St. Joseph Court No. 11, moved that a committee of seven be appointed to present resolutions on the death of our late brother and Corporation Counsel, Hon. Owen A. The Committee on Credentials then submitted through their Chairman, Bro. J. J. Lanigan of Cathedral Court No. 1, the following:

Whole number of Courts 144, entitled to 256 Representatives; there were present 161 Representatives from 105 Courts.

On motion the report of the Committee was adopted.

Bro. Andrew Golding on behalf of Cheverus Court No. 6, presented to the Order, an elegant framed portrait of our late Brother, Past High Chief Ranger Galvin, desiring that it be hung in the Hall of the Knights of St. Rose.

Bro. Golding spoke feelingly and earnestly of the loss his Court and the Massachusetts Catholic Order of Foresters had sustained in the death of Bro. Galvin, and it was the desire of his brother members of Cheverus Court, to perpetuate his memory by this memento of him, so that future generations may draw inspiration from him who was the true embodiment of a Catholic Forester.

High Chief Ranger Shay accepted the gift on-behalf of the Convention and called upon Capt. J. G. Fennessey, a life long friend of the deceased, to formally accept the portrait for the Order.

Capt. Fennessey spoke most feelingly of the devotion and love that our lamented Brother Galvin bore for the Organization and his ever ready response to any and all calls made upon him when service was required. His loyalty was unbounded and as such was a standing example to every member of the Organization. His wise counsel and rare judgment was always ready for any governing body who had charge of the destinies of the Order, and was given with a cheerfulness that betokened his intense love for the Order.

Let us all imitate his loyalty and copy his devotion to the end that the success he so earnestly worked for, and prayed so constantly for, will be ours to the fullest measure of his hopes.

Bro. Fay Chairman of the Committee on Resolutions on death of Bro. Galvin, in a speech full of affection and kindly feeling for the memory of Bro. Galvin, whom he had known for many years, and who had cheerfully rendered his good advice and counsel, presented the following Resolutions, which were unanimously adopted.

WHEREAS, since our last Annual Convention, Death has taken from us, in the summer time of life, our beloved Past High Chief Ranger, OWEN AUGUSTUS GALVIN;

RESOLVED that the Massachusetts Catholic Order of Foresters, by his death, has lost a leader, who in sunshine and shadow labored zealously and constantly for its advancement and progress. A counsellor, whose ripe experience and wise advice guided safely the fortunes of the Order through times of danger and peril, and a member, whose sympathy and assistance were ever at the call of his brother Foresters.

RESOLVED that, by his death, the State and Nation have lost a citizen, who in the performance of the various duties to which he had been called by the suffrages of the people or the appointment of the Executive, showed ability of the highest order and integrity of the most sterling character.

RESOLVED that, while we sincerely deplore his loss to us as Foresters and as Citizens, we are not forgetful of the greater grief his death has brought to those he loved most on earth, and we extend our heartfelt sympathy to his widow and children, and join them in cherishing the memory of one who was a loving husband, a kind father, and a Christian gentleman.

RESOLVED that these Resolutions be spread upon the records of this Convention, and that a copy of the same suitably engrossed be sent to the family of our deceased brother.

CHRISTOPHER J. FAY.

JOHN F. WAGNER.

Bro. J. G. Fennessey of St. James Court No. 54, on behalf of the Committee appointed to draft Resolutions on the death of High Medical Examiner Joseph D. Couch, M. D., with much visible emotion, spoke in presenting the Resolutions that the Committee had prepared, of the long and valuable service rendered to the Order by his cherished friend, the late High Medical Examiner, and his long association with him in the work of the Order, enabled him to extol his services in the highest terms. His devotion to duty, many, very many times, caused him to sacrifice his private practice in his efforts to serve the Organization, always setting an example worthy of imitation.

He then read the following Resolutions which were unanimously adopted.

WHEREAS, in His wisdom, our Heavenly Father, who watches over all, has called from our midst our much beloved and esteemed High Medical Examiner, Brother JOSEPH D. COUCH, M. D., to final rest and happiness, and

WHEREAS, our Brother had by a long series of years served our Order with signal fidelity and eminent success, always subordinating his personal interests to the needs of his high and responsible office.

RESOLVED, that while we bow with christian humility to the decree of our merciful and loving God, we mourn with sorrowing hearts the great loss that has come to us by the death of our esteemed Brother Dr. Joseph D. Couch.

RESOLVED, that in the death of Brother Couch, our Order has lost the services of an accomplished physician, a devoted Forester and an associate whose many virtues endeared him to all.

RESOLVED, that this Convention deeply sympathize with the sorrowing and suffering widow and her children, in the great loss which has come to them and we pray God's grace to sustain her in her hour of sorrow.

RESOLVED, that the High Standing Committee be requested to drape the Charter of the Order, for a period of NINETY DAYS, in honor of his memory.

RESOLVED, that this expression of the grief of the NINETEENTH ANNUAL CONVENTION OF THE MASSACHUSETTS CATHOLIC ORDER OF FORESTERS, be entered on the journal of the proceedings, and that the High Standing Committee cause a copy of them to be suitably inscribed and presented to the afflicted family of our deceased Brother.

Committee.

Col. Doherty on behalf of the Committee on Resolutions on our duty in the present crisis, in a ringing speech bristling with patriotism offered the following stirring Resolutions, which were unanimously adopted by a rising vote amid cheers from the entire Convention.

As the cheers subsided, the inspiring strains of the "Star Spangled Banner" sounded from the grand piano; the Convention of 350 voices in one grand volume of tone sang the National Anthem with an earnestness and spirit, that was soul inspiring, finishing with three rousing cheers for "Old Glory," presenting a scene that will forever remain in the memory of every participant.

WHEREAS, the Trumpet of War has sounded and the President of the United States has called his Countrymen to arms,

AND

WHEREAS, the History of the Nation gives ample proof of the devotion and patriotism of the people of our Faith, from the day when the first shot was fired at Concord for American Liberty, down to the destruction of the Battleship Maine, in the Harbor of Havana, where perished nearly TWO HUNDRED brave men of our faith, AND

WHEREAS, many of our members have already responded to the call for defenders of the Flag and more will follow, if needed, therefore

BE IT RESOLVED, that this Convention of the Representatives of the MASSACHUSETTS CATHOLIC ORDER OF FORESTERS, in Annual Session assembled, representing THIRTEEN THOUSAND men and women, pledge their undying loyalty to the Government of these United States, and heartily endorse the action of President McKinley and Congress, in upholding the Honor and Flag of our Country.

RESOLVED, we hold ourselves in readiness to assist His Excellency, Governor Roger Wolcott, in his response to the call of the President on the Commonwealth of Massachusetts.

RESOLVED, that any member of this Organization who meets death in the patriotic service of defending our Country, either in the service of the Army or Navy, shall have his full endowment paid to his beneficiaries.

RESOLVED, that we urge the Subordinate Courts to follow the patriotic example already taken by many Courts which have voted to keep in good financial standing from its General Fund, all members who go to the front in defense of the STARS AND STRIPES during the term of such service in the Army or Navy.

RESOLVED, that a copy of these RESOLUTIONS be duly transcribed and the Seal of the High Court attached thereto, a copy of the same to be forwarded to the President of the United States and to His Excellency Governor Roger Wolcott of Massachusetts.

RESOLVED, that these RESOLUTIONS be entered upon the Records of the High Court and published in the Annual Report of the Proceedings of this Convention.

Crowley of Mystic Court No. 77, in a speech highly complimentary to Bro. Crowley which nomination was seconded by his colleague, Bro. Curtin.

Bro. George Phillips of Springfield Court No. 104, arose and seconded the nomination of Bro. John J. Leonard of Gallagher Court No. 64, in a speech bristling with patriotism and in a most eloquent manner supported the nomination of Bro. Leonard, regretting his absence from duty here today, but his absence was due to his awaiting his Country's call to a higher and a more sacred duty, that of defending with his life our Nations Glory, the stars and stripes.

Bro. Phillip's earnest, sincere and eloquent language won the close attention of the assembly and at its close received generous recognition.

Bro. Crockwell of Mystic Court No. 77, in reply said he was entirely in the dark as to the circumstances of the case and said that the Medford Representatives, while yielding to no section in point of patriotism and devotion to our country, yet they felt equal pride with the Brothers of Springfield, in the action taken by the gallant Captain, the present High Inside Sentinel, and no effort of theirs would be lacking to make his election triumphant and unanimous and to that end, he would with great pleasure and satisfaction, withdraw the nomination of Bro. John J. Crowley of Mystic Court No. 77, for High Inside Sentinel.

Bro. Curtin of Mystic Court No. 77 moved that the High Secretary-Treasurer cast one ballot for Capt. John J. Leonard of Gallagher Court No. 64; for High Inside Sentinel, which duty being performed by the High Secretary-Treasurer, High Chief Ranger Shay declared Capt. John J. Leonard unanimously elected High Inside Sentinel for the ensuing year.

High Chief Ranger Shay called for nominations for High Outside Sentinel.

Bro. Joseph J. Kelley of St. John Court No. 33, addressing the High Chief Ranger, said he desired to place in nomination for the office of High Outside Sentinel, a man who by his work during the past year had proved himself worthy of the highest recognition, having during his term initiated the greatest number of new members admitted to any Court of the Order. Such work deserves recognition.

Geo. Washington Court No. 85, of Lynn by the work done in 1897, advanced from the thirteenth position numerically, to the second place in number of members, under his administration, making a gain of 73 new members and placing it in the front rank, and it is a pleasure for me to nominate from the giant Court of Essex County, a giant candidate, who has performed a giant work, Geo. Washington's latest Past Chief Ranger, Bro. T. B. Reardon of Lynn.

Bro. H. F. Purcell of Americus Court No. 34, seconded the nomination of Bro. Reardon in complimentary terms. No other nominations being presented Bro. Wm. Gorman of Essex Court No. 16, moved that the High Secretary-Treasurer cast one ballot for Bro. T. B. Reardon of Geo. Washington Court No. 85, for High Outside Sentinel, which duty having been performed by the High Secretary-Treasurer, High Chief Ranger Shay declared Bro. Reardon unanimously elected High Outside Sentinel for the ensuing year.

High Chief Ranger Shay said that nominations for High Medical Examiner were now in order.

Past High Chief Ranger Fennessey addressed the Convention and placed in nomination, Dr. Francis J. McQueeney now acting as High Medical Examiner since the death of our lamented Brother, Dr. Joseph D. Couch, and who generously volunteered and did the work of the office during Dr. Couch's illness, giving the compensation to the family of the deceased, as one worthy of election, which nomination was ably seconded by Bro. C. J. Fay of St. Joseph Court No. 11.

Bro. Shaunahan of Geo. Washington Court No. 85, of Lynn, in an earnest speech nominated Dr. C. A. Ahearne, as a man eminently qualified in every respect to fill the position of High Medical Examiner, he having had a large experience in physical examinations and one who stood high in the medical profession and felt that no better choice could be made than the election of Dr. C. A. Ahearne to the office of High Medical Examiner.

The nomination of Dr. Ahearne was strongly supported by Bro. Timothy Donovan of Lafayette Court No. 14, of Lynn, as the man for the place.

Bro. M. Mooney of Sherwood Court No. 8, placed the name of Dr. John T. Sullivan of St. Jerome Court No. 113, in nomination, as a man eminently qualified to fulfill the duties of High Medical Examiner and trusted that the Representatives would recognize his merits and sterling abilities, by electing him to the position of High Medical Examiner of the Order.

Bro. John E. Briston of Middlesex Court No. 60, seconded the nomination of Dr. Sullivan.

Bro. James J. Lanigan of Cathedral Court No. 1, forcefully presented the name of Dr. Francis H. Barnes, the popular Court Physician of Cathedral Court No. 1, and District Examiner of Courts Nos. 28, 37 and 52, as a candidate for the high Office of High Medical Examiner, fully endorsing his ability and fitness for the exacting duties of that position.

No other nominations being made, Bro. P. J. Sullivan of George Washington Court No. 85, asked the High Chief Ranger if the candidates nominated were qualified Past Chief Rangers.

High Chief Ranger Shay replied that he had no knowledge on that point.

Bro. P. F. Burke of St. Gregory Court No. 24, raised the point of order that candidates not having served a full term as Chief Ranger were not eligible as candidates for High Medical Examiner and asked the ruling of the High Chief Ranger on the question.

High Chief Ranger Shay then made the following ruling:

“To entitle a member to the rank of Past Chief Ranger, he must first serve the full term of Chief Ranger of his Court, commencing his term in January and ending at the installation of his successor the following January. A partial occupation of the chair as Chief Ranger, does not confer the dignity of Past Chief Ranger.”

Bro. J. J. Lanigan of Cathedral Court No. 1, said in view of the ruling on this question, he cheerfully submitted to it and would withdraw the nomination of Dr. F. H. Barnes.

Bro. M. Mooney of Sherwood Court No. 8, while strongly opposed to the decision, declined to appeal from the ruling of the Chair, as he prided himself on being too good a Forester and having too much respect for our High Chief Ranger to question his ruling, although requested by the High Chief Ranger to appeal.

Bro. J. P. J. Ward of Sheil Court No. 35, while having the highest respect for the High Chief Ranger, thought the question was of sufficient importance to submit to the Convention and most respectfully appealed from the decision of the High Chief Ranger.

High Chief Ranger Shay put the question: “Shall the decision of the Chair stand as the judgment of the High Court?”

A yea and nay vote being taken the High Chief Ranger declared the decision sustained.

This vote being doubted the High Chief Ranger ordered a standing vote, which the High Secretary-Treasurer reported after counting, 172 in the affirmative, 55 in the negative, and the High Chief Ranger again declared the Chair sustained.

Bro. M. Mooney moved that a call of the roll of Representatives be ordered which motion was seconded by Bro. J. J. Lanigan and it was ordered and resulted in a vote of 141 in the affirmative and 73 in the negative, and the High Chief Ranger for the third time declared the decision of the Chair sustained.

High Chief Ranger Shay then appointed the following Committee to assort and count ballots.

Edward Callahan	- - -	Mt. Hope Court No. 99.
James H. Dixon	- - -	St. Peter Court No. 18.
Timothy Donovan	- - -	Lafayette Court No. 14.
John J. McGuiggan	M. D.,	Geo. Washington No. 85.
Benjamin Morris	- - -	Taunton Court No. 73.

The roll of Courts was called and the Committee reported as follows: whole number of ballots cast were 227.

F. J. McQueeney, M. D.	- - - - -	175
C. A. Ahearne, M. D.	- - - - -	52

The High Chief Ranger announced the vote and declared F. J. McQueeney, M. D., elected to the office of High Medical Examiner for the ensuing year.

High Chief Ranger called for nominations for Trustees; one for the full term of three years, Bro. D. A. Cronin's term expiring this date and one for the unexpired term of two years, made vacant by the resignation of Bro. Joseph Tondorf.

A motion was passed that the High Secretary-Treasurer deposit one ballot for Bro. D. A. Cronin, which duty he performed and High Chief Ranger Shay declared Bro. Cronin elected Trustee for the term of three years.

Bro. M. Dunican of St. Gregory Court No. 24, moved that the High Secretary-Treasurer cast one ballot for Bro. P. F. Burke for the unexpired term of two years, which motion was carried and the High Secretary-Treasurer having obeyed the order of the Convention, High Chief Ranger Shay declared Bro. P. F. Burke elected Trustee for the term of two years.

Bro. Philip Smith of Williams Court No. 19, nominated Rev. Hugh Roe O'Donnell of Williams Court No. 19, for High Court Chaplain and moved that the High Secretary-Treasurer cast one ballot for Rev. Hugh Roe O'Donnell for High Court Chaplain, which duty was performed and the High Chief Ranger declared Rev. Hugh Roe O'Donnell unanimously elected High Court Chaplain for the ensuing term.

6.30 o'clock, P. M., having arrived the High Chief Ranger declared a recess of one hour for supper.

EVENING SESSION.

High Chief Ranger Shay called to order at 7.45 o'clock.

The High Chief Ranger called for the report of the Committee on State of the Order.

Bro. F. S. Maloney of Williams Court No. 19, Chairman of the Committee reported that the Committee found the Order in excellent condition, the growth rapid, the payments promptly made and the investments of the Trustees safe and they unanimously recommended the adoption of the recommendations made by the High Chief Ranger, Wm. E. Shay, in his address, which recommendation and their report were unanimously adopted by vote of the Convention.

SECRET WORK.

The Committee on Secret Work, through their Chairman, Bro. John Brant of Leo Court No. 5, reported that they had examined a new Ritual, composed by High Secretary-Treasurer McLaughlin and spoke of it as being a work well adapted to the purposes of the Order and the Committee recommended its adoption as the Ritual of the Order, which recommendation with their report was adopted unanimously.

The Convention was now called upon by High Chief Ranger Shay to vote instructions to the High Secretary-Treasurer as to which Fund he should deposit the \$10,000.00 surplus, now held by him for the action of the Convention.

On motion of Bro. J. P. J. Ward of Sheil Court No. 35, after considerable debate by Bros. Brooks and Curran of St. Peter Court No. 18, it was voted to instruct the High Secretary-Treasurer to place it to the credit of the Reserve Fund and in the custody of the Trustees for investment.

The recommendation of High Chief Ranger Shay to reduce the Finance Committee to three and to have a quarterly audit made by them, having been adopted, the following Brothers were elected as a Committee on Finance for the ensuing year.

John Brant - - - - - Leo Court No. 5.

John P. J. Ward - - - - - Sheil Court No. 35.

Thomas F. Kelley - - St. Jerome Court No. 113.

Bro. Fennessey, Chairman of the Committee on Constitution moved to take from the table Amendment No. 9, as follows:

Amend Article III, Section 1, page 34, Subordinate Court Constitution, by striking out the first word on the third line, "fifty," and inserting the word "forty-five," so that it shall read as follows: "Any person of good moral character, eighteen years of age and not over "forty-five."

The Committee Recommended for Adoption—J. G. Fennessey dissenting.

Bro. Fennessey moved its reference to the next Convention, arguing that the time has not arrived yet, for a reduction of the age limit.

Bro. McGlew of Essex Court No. 16, spoke earnestly in favor of its adoption, claiming it would be legislation in the right direction and that it would be of great benefit to the Organization in the future and that it is to the future we must address our thoughts.

After some further debate, the question being called for, High Chief Ranger Shay put the question of reference to the next meeting of the High Court and declared the motion carried and the Amendment was referred to the next Convention for action.

AMENDMENT No. 24.

Amend Article 15 of the High Court Constitution by striking out the Article, and by substituting therefor the following:

"Article XV. Reserve Fund. An assessment of fifty cents shall be levied on all members in good standing on the first day of October in each year. This assessment shall be known as the Reserve Fund Assessment, and shall be made for the purpose of establishing a Reserve Fund for the Order. Each new member admitted after said date shall also be assessed fifty cents for said Fund. No portion of the Reserve Fund shall be drawn upon for the payment of Death Benefits, except by vote of the High Court."

High Chief Ranger declared the report of the Committee Recommended for Adoption, accepted and the Amendment ADOPTED.

The recommendation of the Committee on Constitution, that wherever the word "Reserve" occurs in the Constitution, the word "Emergency" be substituted to make it conform to the Laws of the State, was adopted by vote of the Convention.

Bro. James H. Fitzgerald of Worcester requested that the High Standing Committee arrange to hold the next Annual Convention at Worcester.

Bro. Hurley of St. Raphael Court No. 26, appealed to the Convention for support of the Monthly Magazine issued in the interests of the Order, sample copies of which Bro. Riley had presented to the Representatives today, claiming it to be a paper much needed throughout the Order.

The business having been concluded, High Chief Ranger Shay requested Past High Chief Ranger J. G. Fennessey to take the chair and conduct the Installation of Officers for the ensuing year.

Bro. Fennessey in assuming the Chair appointed as High Conductors, Bro. John Brant of Leo Court No. 5, and Bro. P. H. Shea of St. Alphonsus Court No. 21, who presented the following Brothers, all of whom were impressively obligated and duly installed into their respective positions.

REPORT OF THE HIGH SECRETARY-TREASURER,

FOR THE YEAR ENDING DECEMBER 31, 1898.

*To the Representatives of the Massachusetts Catholic Order of
Foresters in Annual Convention Assembled, April 26, 1899.*

Representatives:

In obedience to the Laws laid down in the Constitution, which require a full report of the work of the High Standing Committee and of the Order, I hereby cheerfully submit the following report for your information and consideration, for the year 1898.

The High Standing Committee have held 52 regular meetings during the year, at which all matters pertaining to the Order were given full and careful consideration. The High Standing Committee have in addition during the year, made to the Courts throughout the State, 100 visits, giving hearings and attending public meetings, and at all times were received with the kindest and most cordial courtesy.

NEW COURTS.

It has been the pleasure of the Committee to initiate fourteen new Courts during the year, numbered and named as follows:

Mount Carmel No. 148, instituted January 13, 1898, 104 charter members, average age 31 years, 2 months.

Gen. Montgomery No. 149, instituted February 4, 1898, 17 charter members, average age 31 years, 4 months.

Cambridge No. 150, instituted February 17, 1898, 17 charter members, average age 28 years, 1 month.

Perpetual Help No. 151, instituted February 28, 1898, 53 charter members, average age 34 years, 2 months.

Gen. Francis A. Walker No. 152, instituted March 5, 1898, 20 charter members, average age 37 years, 6 months.

Father Thayer No. 153, instituted March 16, 1898, 19 charter members, average age 35 years, 9 months.

Hughes No. 154, instituted March 25, 1898, 15 charter members, average age 31 years, 8 months.

Magdalen No. 155, instituted April 25, 1898, 18 charter members, average age 28 years, 6 months.

Marquette No. 156, instituted July 15, 1898, 24 charter members, average age 26 years.

Assumption No. 157, instituted August 25, 1898, 30 charter members, average age 32 years, 7 months.

St. Paula No. 158, instituted September 15, 1898, 27 charter members, average age 31 years, 6 months.

Immaculate Conception No. 159, instituted October 6, 1898, 16 charter members, average age 34 years, 2 months.

Ave Maria No. 160, instituted November 3, 1898, 20 charter members, average age 31 years, 2 months.

Wakefield No. 161, instituted December 21, 1898, 18 charter members, average age 27 years, 4 months.

The average age of the new Courts instituted during the year was 31 4-7 years.

The total number of applications received during the year was 2,169, the average age being 33 years; of these there were approved 1,826, the average age being 32 years; the average age of those rejected by the High Standing Committee was 36 years, 9 months.

DEATH CLAIMS.

The total number of deaths reported during the year was 120, 4 of whom laid down their lives in defence of our beloved Country.

There were also brought over from 1897, 12 claims, making a total of 132 deaths, of which number 131 were paid, leaving but one unpaid claim December 31, 1898—a grand record.

The average length of membership of the deceased was 8 years, 6 months, 10 days. The average age of the deceased members 43 13-44 years.

AVERAGE AGE OF THE ORDER.

A computation made in the latter part of the year, 1898, of the ages as given in the applications for membership, show the average age of the Order to be 39 years, 4 months, a condition that requires the most earnest thought of all who desire the permanency of the Organization, and the maintenance of the minimum number of assessments. *The importance of a low average age cannot be over-estimated*, for it is a fixed fact, beyond the power of man to alter, that an increased average age assuredly demands an increase in the number of assessments, and makes the burden a heavier one to be borne by all concerned.

FINANCE.

On pages 10 and 11 is a full statement of the receipts and expenditures of the year, the same being verified by the Committee on Finance, after a close and thorough examination of all the books and papers connected therewith.

On pages 23, 24 and 25 will be found a tabulated statement of the annual financial returns of the Courts of the Order as reported by their officers, and verified by the respective Auditing Committees.

MEMBERSHIP.

The record of the membership of each court, given in returns, will be found on page 28, and shows to the interested Forester where the greatest activity exists in promulgating the beneficent influence of our great Organization.

COMPARISON.

A comparison of the work accomplished by the Order during the past two years, 1897 and 1898, may be found on page 27, in which the financial growth of the Organization is clearly exhibited, and which furnishes a potent argument in favor of renewed efforts on the part of every member of the Order in disseminating the grand principles which govern us and which in the past has been prolific of so much good to all who have joined us in the crusade of "Unity and True Christian Charity."

MORTUARY CALLS.

The number of Calls issued during the year was nine—viz: 145, 146, 147, 148, 149, 150, 151, 152, 153, yielding the great sum of \$135,344.75, of which \$131,000.00 was paid over to the heirs of our deceased members, in many instances bringing blessed relief, sorely needed, and winning for us the prayers of the bereaved, and the favor of Heaven for the work of Charity to which our Order is dedicated.

CONCLUSION.

The growth of the Organization during the year has been most encouraging, and proves that the public confidence in our purposes and methods is growing stronger as we grow older. Let our efforts be directed to increasing that confidence, until the people of our faith throughout the State, feel a sense of security within our ranks, which cannot be found elsewhere.

Respectfully submitted,

JAMES J. McLAUGHLIN,

High Secretary-Treasurer.

BROTHERS AND SISTERS:

In compliance with the provisions of the Constitution of the High Court, the Representatives of all Subordinate Courts are ordered to meet for the Twentieth Annual Convention of the High Court, to be holden on WEDNESDAY, THE TWENTY-SIXTH DAY OF APRIL, 1899, AT 9.30, A. M., AT PAUL REVERE HALL, Mechanics Building, Huntington Avenue, Boston.

The basis of Representation shall be as provided for in ARTICLE II, Section 3, of the High Court Constitution.

Credentials for legally elected Representatives accompany this Call, which must be duly signed by the Court Officers, one to be retained for each Representative and the other to be forwarded to the High Secretary-Treasurer.

Per Order of the High Standing Committee,

J. J. McLAUGHLIN,

High Secretary-Treasurer.

TWENTIETH ANNUAL CONVENTION

OF THE

Massachusetts Catholic Order of Foresters

HELD AT

PAUL REVERE HALL,

Boston, April 26, 1899.

MORNING SESSION.

Called to order at 9.30, A. M., by High Chief Ranger, Wm. E. Shay.

High Court Chaplain, Rev. Hugh Roe O'Donnell, of East Boston, opened the Convention with prayer.

High Chief Ranger introduced Rev. Hugh Roe O'Donnell, who Spoke at length of his connections as High Court Chaplain for the past fifteen years, ever since the decease of the lamented Father Daley of St. Joseph's Church, and commended the work the Order had accomplished in the past twenty years and urged them to continue the good work.

He spoke approvingly of the lessons contained in the Ritual and bade all to live up to them, as they tended to make us better men and women. He said he was obliged to be brief as he had important parish work to do and wished that the Order may grow and prosper. He then retired.

Address of High Chief Ranger

WILLIAM E. SHAY.

*To the Delegates of the Massachusetts Catholic Order of Foresters
in Convention:*

In the performance of my duty I submit the following report:

The following Courts were instituted during the past year:

Father Stack No. 162,	Apr. 23, 1899,	24,	33	3	

The total number of women Courts in the Order is 37.

The total number of mixed Courts in the Order is 49.

The total number of women in the Order is 2,722.

The total number of deaths reported during the year was 120, and 12 deaths brought over from the year before makes a total of 132.

The total number of deaths paid during the year was 131.

The balance of deaths the first of the year, 1899, was 1.

The number of applications received was 2,169, being 5 less than received in 1897. Of these 1,826 were accepted and initiated, and 343 were rejected, showing the greatest percentage of rejections for some years. This proves that the medical examinations have been more searching, and greater care taken that the Order should not suffer from carelessness on the part of the examiners; also the fact that the Order is in such condition, that many who are approaching the age which debars them from joining do not hesitate to deceive the investigating committee as well as the examiners.

We have reason to be thankful for the success we have met with in the past year, notwithstanding the war and the extreme dulness of business, and I am satisfied that the record we have made will compare favorably with that of any other fraternal organization in this State.

In looking over the report of the High Secretary-Treasurer I find we have 151 Courts with a membership of 13,225; 107 Courts have made gains in membership. I am sorry to say that from 44 of the Courts we have received no report of any increase in membership. I need only refer you to the report in your hands to see if I am not right. Of the members who have passed away, I find that 35 were 50 years or over, and 88 were under 50 years. The youngest was W. F. Crocker, age 19, who was killed at the Battle of Santiago. He was a member 8 months and 4 days. I also find that of those who died, 26 were members less than 2 years. The oldest to die was 69 years, and had been a member 18 years and 2 months.

The honor of the Barner Court as regards the increase in membership belongs to Essex No. 16, which initiated 38. Iona No. 10 initiated 36, and has a membership of 250, the largest in the Order. 9 Courts succeeded in getting 1 new member, and 12 Courts by extra effort got 2. I will not comment on this record, but simply present it to you for your consideration.

Our loss in membership by death for the year 1898 was 120, and although we sadly miss them and sympathize with the bereaved ones, we feel assured that the good we were instrumental in accomplishing in their behalf, not only in a monetary way, but also in the generous outpouring of sympathy and kindly acts, must in some measure compensate them, and convince them and the public that our Order is not a selfish one, but that we are actuated by a higher and nobler aim; that Fraternity Unity and Charity in their broadest sense is what we practice, and we aim to do all in our power to help one another and advance the welfare of our members.

DEPUTY HIGH CHIEF RANGERS.

The Order has been very fortunate in the members selected to act as Deputies, and I cannot sufficiently thank them for the interest taken, and the amount of work accomplished by them in aid of their Courts. I might mention the names of those who have done wonderfully well, but feeling confident that the Courts will cherish and honor them, I will refrain from so doing. Satisfied as I am that the consciousness of duty well done is all the reward they ask. Again I thank them, and wish them the same success in life that they by earnest effort have secured in this Order.

BONDS OF SUBORDINATE COURT OFFICERS.

This is a subject which to my mind will bear looking into, and I think the present mode of securing bonds for the financial officers should be discontinued for it is a fact that due care is not taken in the selection of bondsmen, and the Courts are subject to loss and inconvenience. I would suggest that the members of a Court should be deemed ineligible to serve in that capacity, and that the sureties should be placed in some safe Bond Association at the expense of the Court. This is a matter for your consideration, and I trust you will give it the attention it merits.

FINANCE COMMITTEE.

The Committee selected by you to audit the books of the High Secretary-Treasurer have attended to their duty, and are prepared to report. The expert accountant also has given much time and care to a thorough examination of the books of the financial officer, and his report is presented for your approval.

COMMITTEE ON CONSTITUTION.

The Committee selected to codify and revise the constitution have held a number of meetings and given much time and thought to the accomplishment of that work, and present to you at this session the result of their labors. It is hoped that the result of their work will meet the demands of the Order, and that it is so simplified as to receive the approbation of the members.

A number of proposed Amendments to the Constitution have been received and acted upon by the Committee; they also will be presented for your action at this session.

HIGH MEDICAL EXAMINER.

No report in person by the High Medical Examiner having heretofore been given to the Convention, I have requested that officer to prepare and make a detailed report of his work for the past year, and I would recommend that reporting annually to the Convention be made a part of the duty of the office.

Upon the faithful performance of the duties of the office in a great measure depends the success of the Order, and carelessness or indifference in the matter of examinations should not be tolerated. This is a matter to which the High Standing Committee have given a great amount of thought, the necessary action on the part of the Committee, caused by careless examinations, has occasioned hard feelings toward the Committee, who in all things have worked first for the Order and next for the Examiner.

TWENTIETH ANNIVERSARY.

The Committee on the Twentieth Anniversary will report to you and recommend some plan for the proper celebration of that event. If it meets with your approval it is to be hoped that the representatives will at the next and subsequent meetings of their respective Courts urge upon the members this fact, that to make a success of this occasion all must be interested and feel that the success or failure in a great measure depends upon the action of the individual members. With this feeling animating the members I have no doubt but the occasion will be one long to be remembered.

NEW RITUAL.

Some complaints have reached me concerning the working of the Ritual, and upon investigation I have found ground for complaint in the fact that no attempt was made by some of the officers to familiarize the same. Also I must confess that some of the charges seem longer than necessary, and may well bear curtailing, and I would suggest that a committee be selected to revise and simplify the Ritual.

PUBLIC MEETINGS.

I feel it my duty to call to your attention the fact that the holding of public meetings has not been given the consideration it merits. There is not a city or town in this Commonwealth but should have one or more of such meetings each year, and the benefit to the Order would more than repay for the time and expense. Let us not hide ourselves but come out into the open, and where two or more Courts are, members unite in one grand meeting. We have a record to be proud of, and if we make the effort be sure it will be crowned with success. The High Standing Committee will be glad to aid in this good work, both with their assistance and advice.

Now that the time for me to sever my connection with the High Standing Committee draws near, I wish to say that I have nothing but words of praise to give to the gentlemen who for the past two years have aided me to the best of their ability in the interest of the Order, and I cannot wish my successor in office, whosoever he may be, more than that he may have the good fortune to have associated with him brothers who on all occasions have shown by their actions and words that their one object in view was the welfare of the Order. Gentlemen of the Committee I do sincerely thank you, and while memory lasts will cherish as one of the bright spots in my life the time I was associated with you in this good work.

To you, members of the Order, what shall I say for the kindness shown me on all occasions when called upon to meet you either for business or pleasure. I shall never forget the friendly hand that met mine and the illuminated face that spoke welcome that no words could tell. I thank you all, and my wish is that you may long be spared to make others as happy as you have made me.

In conclusion I have but to say that my best efforts are at the command of this Order at all times, and may God grant that our united endeavors in the cause of "Fraternity, Unity and Charity" may meet with that success which such a noble work merits, is my earnest prayer.

After a careful examination of the receipts and disbursements of the different funds, as shown by vouchers and bills on file, your Committee have compared them with the books of the High Secretary-Treasurer, with the check-books and bank-books of the Order, and report all accounts correct.

Your Committee, having also examined the books and accounts of the Board of Trustees, beg leave to report as follows:

Total amount in Reserve Fund Dec. 31, 1897	-	\$37,606.86
Received during the year	-	17,373.00
Interest received on investments and deposits in banks		1,723.57

Your Committee find that the books and papers of the Trustees are correct, and consider the investments good, and fully covered by insurance.

In view of the fact that a most thorough examination of the accounts was made by your Committee, it was deemed unnecessary to incur the additional expense of hiring an expert this year, and consequently employed none.

Your Committee, in connection with this report, desires to make the following recommendations:

(1) That the Per Capita assessment of seventy-five (75) cents per member be levied for 1899.

(2) That the Finance Committee, if they deem necessary, have power to employ an expert, under their supervision, to verify their examination.

(3) That the salary of the High-Secretary Treasurer for 1899 be \$2,500.

(4) That the sum of \$1,500 may be used for clerical hire by the High-Secretary Treasurer, under the supervision of the High Standing Committee, and that no person not a member of the Order be employed in said office.

(5) The system whereby one man is both Secretary and Treasurer of the Order, is, in the opinion of your Committee, not in accordance with the best business principles, and should be remedied without delay. Your Committee, therefore, unanimously and strongly recommend that the office of High Secretary-Treasurer be divided, by amending the Constitution, so as to provide for the election of a High Secretary and High Treasurer.

Respectfully submitted,

JOHN BRANT.

J. P. J. WARD.

THOMAS F. KELLEY,

Finance Committee.

The Committee on revising and codifying the Constitutions of High and Subordinate Courts, then reported the result of their labors, through their Chairman, Bro. Wm. P. Hayes of Springfield, and the same was laid over until new business was ordered.

The report of the Committee on Celebrating the Twentieth Anniversary of the Order, was then made by Bro. Hayes of Springfield, which was as follows :

•
**REPORT OF
TWENTIETH ANNIVERSARY COMMITTEE.**

BOSTON, APRIL 26, 1899.

To the Massachusetts Catholic Order of Foresters:

The Committee appointed by the High Chief Ranger to consider and report upon the matter of the Twentieth Anniversary of the Order, begs leave to submit the following report:

Letters were sent to all the Subordinate Courts of the Order, requesting the opinion and recommendations of the several Courts as to how the Twentieth Anniversary might be most appropriately celebrated, and forty-eight responses were received containing many varied suggestions.

The Committee finally decided to recommend to the next Annual Session of the High Court that the Anniversary be celebrated by attending High Mass of the Order at the Cathedral in Boston in the forenoon, to be followed by sight-seeing throughout the City, and that a social gathering and banquet be held at some harbor resort during the afternoon, at which banquet, an oration would be delivered by some prominent man on some subject relative to Fraternal Insurance.

It was also voted that a printed copy of this recommendation be mailed to all Subordinate Courts at least thirty days before the Annual Session of the High Court, in order that the Representatives to the Annual Session might be enabled to learn the sense of their respective Courts upon the Committee's recommendation. As a consequence it was requested that this communication be read in all Subordinate Courts, and a vote taken upon the same so that all Representatives to the Annual Session be prepared to act upon the matter.

WM. P. HAYES, *Chairman.*

GARRETT H. KEEFE, *Secretary.*

J. J. McLAUGHLIN.

Bro. Long of St. Joseph Court No. 11, moved that the report be accepted.

It was on motion deferred for further consideration, which motion was carried.

Bro. Hayes for the Committee on revising and codifying the Constitution, reported, which report was accepted and consideration laid over for the present.

Bro. Doody of Canton Court No. 67 reported for the Committee on Constitutional Amendments, which report was accepted and action postponed till the afternoon session. The report was as follows:

AFTERNOON SESSION.

Called to order by High Chief Ranger Wm. E. Shay at 2.30, P.M.

The High Chief Ranger called for the report of the High Medical Examiner, it being the first formal report ever given to the Order by that officer, and High Medical Examiner, Francis J. McQueeney, M. D., took the stand and submitted the following report, which was by vote accepted.

HIGH MEDICAL EXAMINER'S REPORT.

To the Representatives of the Twentieth Annual Convention of the Massachusetts Catholic Order of Foresters:

Representatives:—

Acting upon the suggestion of High Chief Ranger William E. Shay, a report of the Medical Department of our Order has been prepared by me for consideration,

This Twentieth Anniversary of the Organization offers an opportunity of inaugurating the custom by the High Medical Examiner of presenting an annual report of which this will be the first since the founding of the Society.

In May, at the beginning of the term, a circular was issued to our Examiners enclosing one of the old applications for men and women. They were requested to suggest alterations and express their opinion in the making up of a new application blank. Replies were received from forty-one of our Medical Examiners. A new blank embodying many of the ideas that were submitted was issued July 1, 1898.

One of the most radical and also important changes from the old form was the requirement that the family and personal history of the applicant be reported by our Examining Physician, thereby doing away with the many errors that were a constant source of annoyance in considering the final disposition of the risk in the old blank.

The medical questions in the remainder of the paper were altered from the stereotyped style in vogue, and permitted an Examiner to indicate the scope of his medical attainments and his good judgment. The change has certainly afforded the Committee a more intimate knowledge of the many excellent Physicians among our Examiners, who in the old blank were restricted in their work.

On the other hand indications of a merely selfish interest in the Order, has been manifested and treated by the High Standing Committee in the manner required by the important duty they owe the Order in conducting its affairs.

With two exceptions the Examiners of the previous year were re-appointed. These vacancies and that left open by the promotion of the High Medical Examiner were filled by the selection of Drs. Shannahan of Brookline, Drohan of Brockton, and Madden and Kelliher of Boston.

During the year additional appointments to fill vacancies were made of Drs. Farrell of Malden, McCarthy of Marlboro, O'Leary of Wakefield, Flynn of North Easton, McCarthy of Brockton and O'Shea of Lynn.

A Card of Instructions containing a standard table of weights and measurements, to secure uniformity in the work of our Examiners, was also issued and produced excellent results.

A Banquet was tendered the Doctors on July 12, 1898, by the High Standing Committee. Addresses by High Chief Ranger Wm. E. Shay and others of the Committee and the reading of medical papers on Insurance topics by Drs. Croston of Haverhill, Gallison of Franklin, McGrath of Beverly, Kennedy of Springfield, Mehegan of Taunton and McCarthy of Brockton comprised the evening's program.

During the year ending January 1, 1899, our Society has paid 131 death claims, of this number one death was due to Strangulated Hernia, three to Disease of the Liver, five were caused by wounds and disease in our late War, six to Cancer, eight deaths were the result of accidents, fourteen died from Chronic Disease of the Heart and the same number from Disease of the Brain.

Ten deaths were due to Chronic Brights Disease, and sixteen from Pneumonia. Consumption caused thirty-two deaths, the ages ranging from 30 to 50 years.

The above list of deaths must impress our members with the important position diseases of the Lungs, Heart and Kidneys occupy in Life Insurance.

The death due to Strangulated Hernia certainly strengthens the position your Committee has taken upon this class of risks by refusing them admission to our Order.

From May 1st, 1898, to January 1st, 1899, we have rejected 216 applications, as follows:

Two were to be held till 30 years old.

Three had Diabetes.

Five had Hernia.

Eight, poor family history.

Eleven, Alcoholic Habits.

Fourteen, Disease of the Lungs.

Seventeen were under or over weight.

Seventeen, poor family and personal history.

Twenty-one, Disease of the Kidneys.

Twenty-two, Disease of the Heart.

Twenty-Six, Poor Physical Condition.

Sixty-two were over the age limit.

The remaining eight were from varied diseases.

Age has caused the largest number of rejections, as high as eight years above the limit having been refused. Variations from two to six years are ordinary happenings.

To protect the Order we have had to obtain certified copies of births and deaths. The expense has amply repaid the Society.

One of the great difficulties with which we have been confronted outside of age, is the endeavor to cover up the actual cause of death in the families of applicants and their own illnesses.

The most conscientious candidates regard their examination as a contest between themselves and the Medical Examiner and although they may answer the questions asked, they will not volunteer any

information about themselves. The difference therefore between private patients who consult a Physician and oftentimes exaggerate their symptoms and an applicant to our Order, emphasizes the need of special training and experience upon the part of our Insurance Examiners that is not generally understood.

It does not follow that a good Family Physician is an expert Examiner for Insurance, on the other hand a thoroughly capable Medical Examiner is usually a good Family Doctor.

My relations during the year with my colleagues of the profession have, with slight exceptions, been of a very pleasant character. The anxiety of some of our men to avoid giving offence to an applicant or his friends, is one of the objectionable features of our system of examination.

Every member of our Order is pledged to the payment of \$1,000 upon the death of a Brother or Sister of our Society, while other attributes of our Organization may be considered important, they should be subsidiary to our Insurance obligation.

We are absolutely dependent upon the honesty, competency and the fearlessness of our corps of Medical Examiners. Neither friendship nor relationship should prompt interference by our members in the appointment of Physicians, upon whom we rely for the selection of suitable insurance risks. We have kept this object in view and retained only those Examiners who have done their duty by our society.

The upright and just character of a majority of the men and women who constitute our membership cannot but sustain and encourage their officers in the full performance of their duty.

We have now reached a period in the age of our Order when constant care is needed in our Medical work and I trust for the honor of our Society, you will recognize its importance for the greater growth and future welfare of the Massachusetts Catholic Order of Foresters.

Respectfully submitted,

FRANCIS J. McQUEENEY,

High Medical Examiner.

Boston, April 26, 1899.

Bro. Maloney of Williams Court No. 19, moved that in view of the fact that there were some Representatives from out of town, who were desirous of returning home on early trains, the Election of Officers take place at 3 o'clock. P. M.

Bro. Tighe of Cathedral Court No. 1 opposed the motion, arguing that there was other business that should be attended to first.

On a vote being taken Bro. Maloney's motion was carried and Election of Officers was assigned to take place at 3, P. M.

High Chief Ranger Wm. E. Shay called for the report of the Committee on Amendments to the Constitution, and Chairman B. R. Doody of Canton Court No. 67 read the report.

FIRST AMENDMENT. See page 49.

The Committee reported **LEAVE TO WITHDRAW**.

Bro. Dineen of Lepanto Court No. 142 argued earnestly against the report of the Committee and strongly urged the adoption of the Amendment.

Sister Hughes of Hughes Court No. 154 supported the report of the Committee and claimed that as the law stood any Sister was eligible for any office. The Amendment would confine her to the office of Junior High Vice Chief Ranger only.

Upon a vote being taken the report of the Committee **LEAVE TO WITHDRAW**, was accepted.

Bro. Ward of Sheil Court No. 35, said that he desired to have action taken on Amendment No. 2, previous to the Election of Officers, as it was one of importance and should be considered at this stage. There being no objection the High Chief Ranger admitted its consideration, and Chairman Bro. Doody of Canton Court No. 67, read the Amendment.

SECOND AMENDMENT. See page 49.

High Chief Ranger Wm. E. Shay said the question was on the adoption of the report of the Committee.

Bro. Ward of Sheil Court No. 35, moved to amend the report of the Committee by striking out the words "leave to withdraw" and substituting "recommended for adoption" and argued at length in support of his Amendment.

Bro. Hayes of Gallagher Court No. 64, opposed the Amendment with much earnestness, especially in view of the excellent report made of the finances and the manner in which they were conducted.

Bro. Fennessey of St. James Court No. 54, spoke in opposition to the Amendment.

Bro. Driscoll of Americus Court No. 34, saw no reason why there should be a division of the office, both the Committee on Finance of which Bro. Ward is a member and also the expert commending the manner and methods of conducting the finances.

On a yea and nay vote being taken, the Amendment was defeated.

The report of the Committee "leave to withdraw" upon a yea and nay vote being taken, was then accepted.

This vote being doubted a rising vote was ordered and the Conductors reported 146 in the affirmative and 47 in the negative and the High Chief Ranger declared the report of the Committee, viz: **LEAVE TO WITHDRAW**, accepted.

High Chief Ranger Wm. E. Shay announced the next in order, by assignment was the election of officers and called for nominations for High Chief Ranger.

Bro. Ward of Sheil Court No. 35, arose and eloquently presented the name of High Vice Chief Ranger Thomas F. Doherty as one who would honor the position and the Order, and fill the position with success.

Bro. Dixon of St. Peter Court No. 18, nominated the present High Chief Ranger Wm. E. Shay, as one who had proved by his administration the right man for the place and one who would conduct the high office of High Chief Ranger with honor to himself and to the Order.

Bro. Mooney of Sherwood Court No. 8, seconded the nomination of Bro. Shay.

High Chief Ranger Wm. E. Shay said he regretted that his name was mentioned for re-election, declined to accept the nomination and withdrew his name as a candidate. He then appointed a Committee of five with Bro. Lanigan of Cathedral Court No. 1 as chairman, to

distribute, collect and count ballots, who after performing that duty reported as follows:

McLaughlin, there being no opposition the High Chief Ranger performed that

duty and declared Bro. McLaughlin unanimously elected to the office of High Secretary-Treasurer for the ensuing year.

Nominations for High Senior Conductor were next in order and Bro. Doody of Canton Court No. 67, nominated the present incumbent, Bro. Daniel E. Lane of Stoughton Court No. 69, which was seconded by Bro. Smith of Stoughton Court and there being no opposing candidate the High Secretary-Treasurer was ordered by vote of the Convention to cast one ballot for Bro. Lane for High Senior Conductor, which duty he performed and High Chief Ranger Wm. E. Shay declared Bro. D. E. Lane unanimously elected High Senior Conductor for the ensuing year.

H. C. C. - - Rev. James H. O'Neil.

Rev. Fr. O'Neil High Court Chaplain elect, offered prayer, and also offered a prayer for the repose of the soul of our late Brother, Joseph J. Kelley.

The High Chief Ranger spoke most feelingly of the loss the Order has met with in the death of High Vice Chief Ranger Kelley. The loss is felt through the community in which he lived, in the Societies in which he was an honored member and by society in general.

High Vice Chief Ranger Doherty in a speech full of emotion spoke in terms of high commendation of his great worth as a man and as a citizen and offered the following resolutions which were adopted by a unanimous rising vote.

RESOLUTIONS:

WHEREAS, in wisdom and in love, God has taken to himself the soul of one whose life, in its vigor and its strength, was devoted to a work of love in the world of man, and

WHEREAS, we shall look no more upon our old friend and Brother,

JOSEPH J. KELLEY.

THEREFORE, be it resolved by the members of the Massachusetts Catholic Order of Foresters in Convention assembled, That we realize the deep loss which our Order has suffered in the death of an old and valued member.

RESOLVED, that though we feel no longer his cheerful presence, though we hear no more his voice uplifted in the cause of honor and justice; though we look in vain for the guiding light of his wisdom and counsel; nevertheless the spirit of his high and noble resolve still lives in our midst, and urges us forward along the path of progress he would have us follow.

RESOLVED, that his death has deprived our ranks of an able leader, a true friend and a noble Brother.

RESOLVED, that these Resolutions be placed on the records and that a copy be engrossed and given to the family of the deceased, to whom in the hour of sorrow, our hearts go out in lasting sympathy.

Signed, THOMAS F. DOHERTY, Norfolk Court No. 145.

BERNARD J. BROGAN, Cambridge Court No. 150

The High Chief Ranger called for the report of the recommendations of the Committee on Finance and Chairman Brant read Recommendation No. 1, see page 46, which after reading, an Amendment was offered making the Per Capita Tax 50 Cents instead of 75 cents.

Bro. Mooney of Sherwood Court No. 8, said that he came instructed by his Court to advocate a Per Capita Tax of \$1.00 and he moved that it be \$1.00 for the year 1899.

A vote being taken on the Amendment for \$1.00 it was lost.
